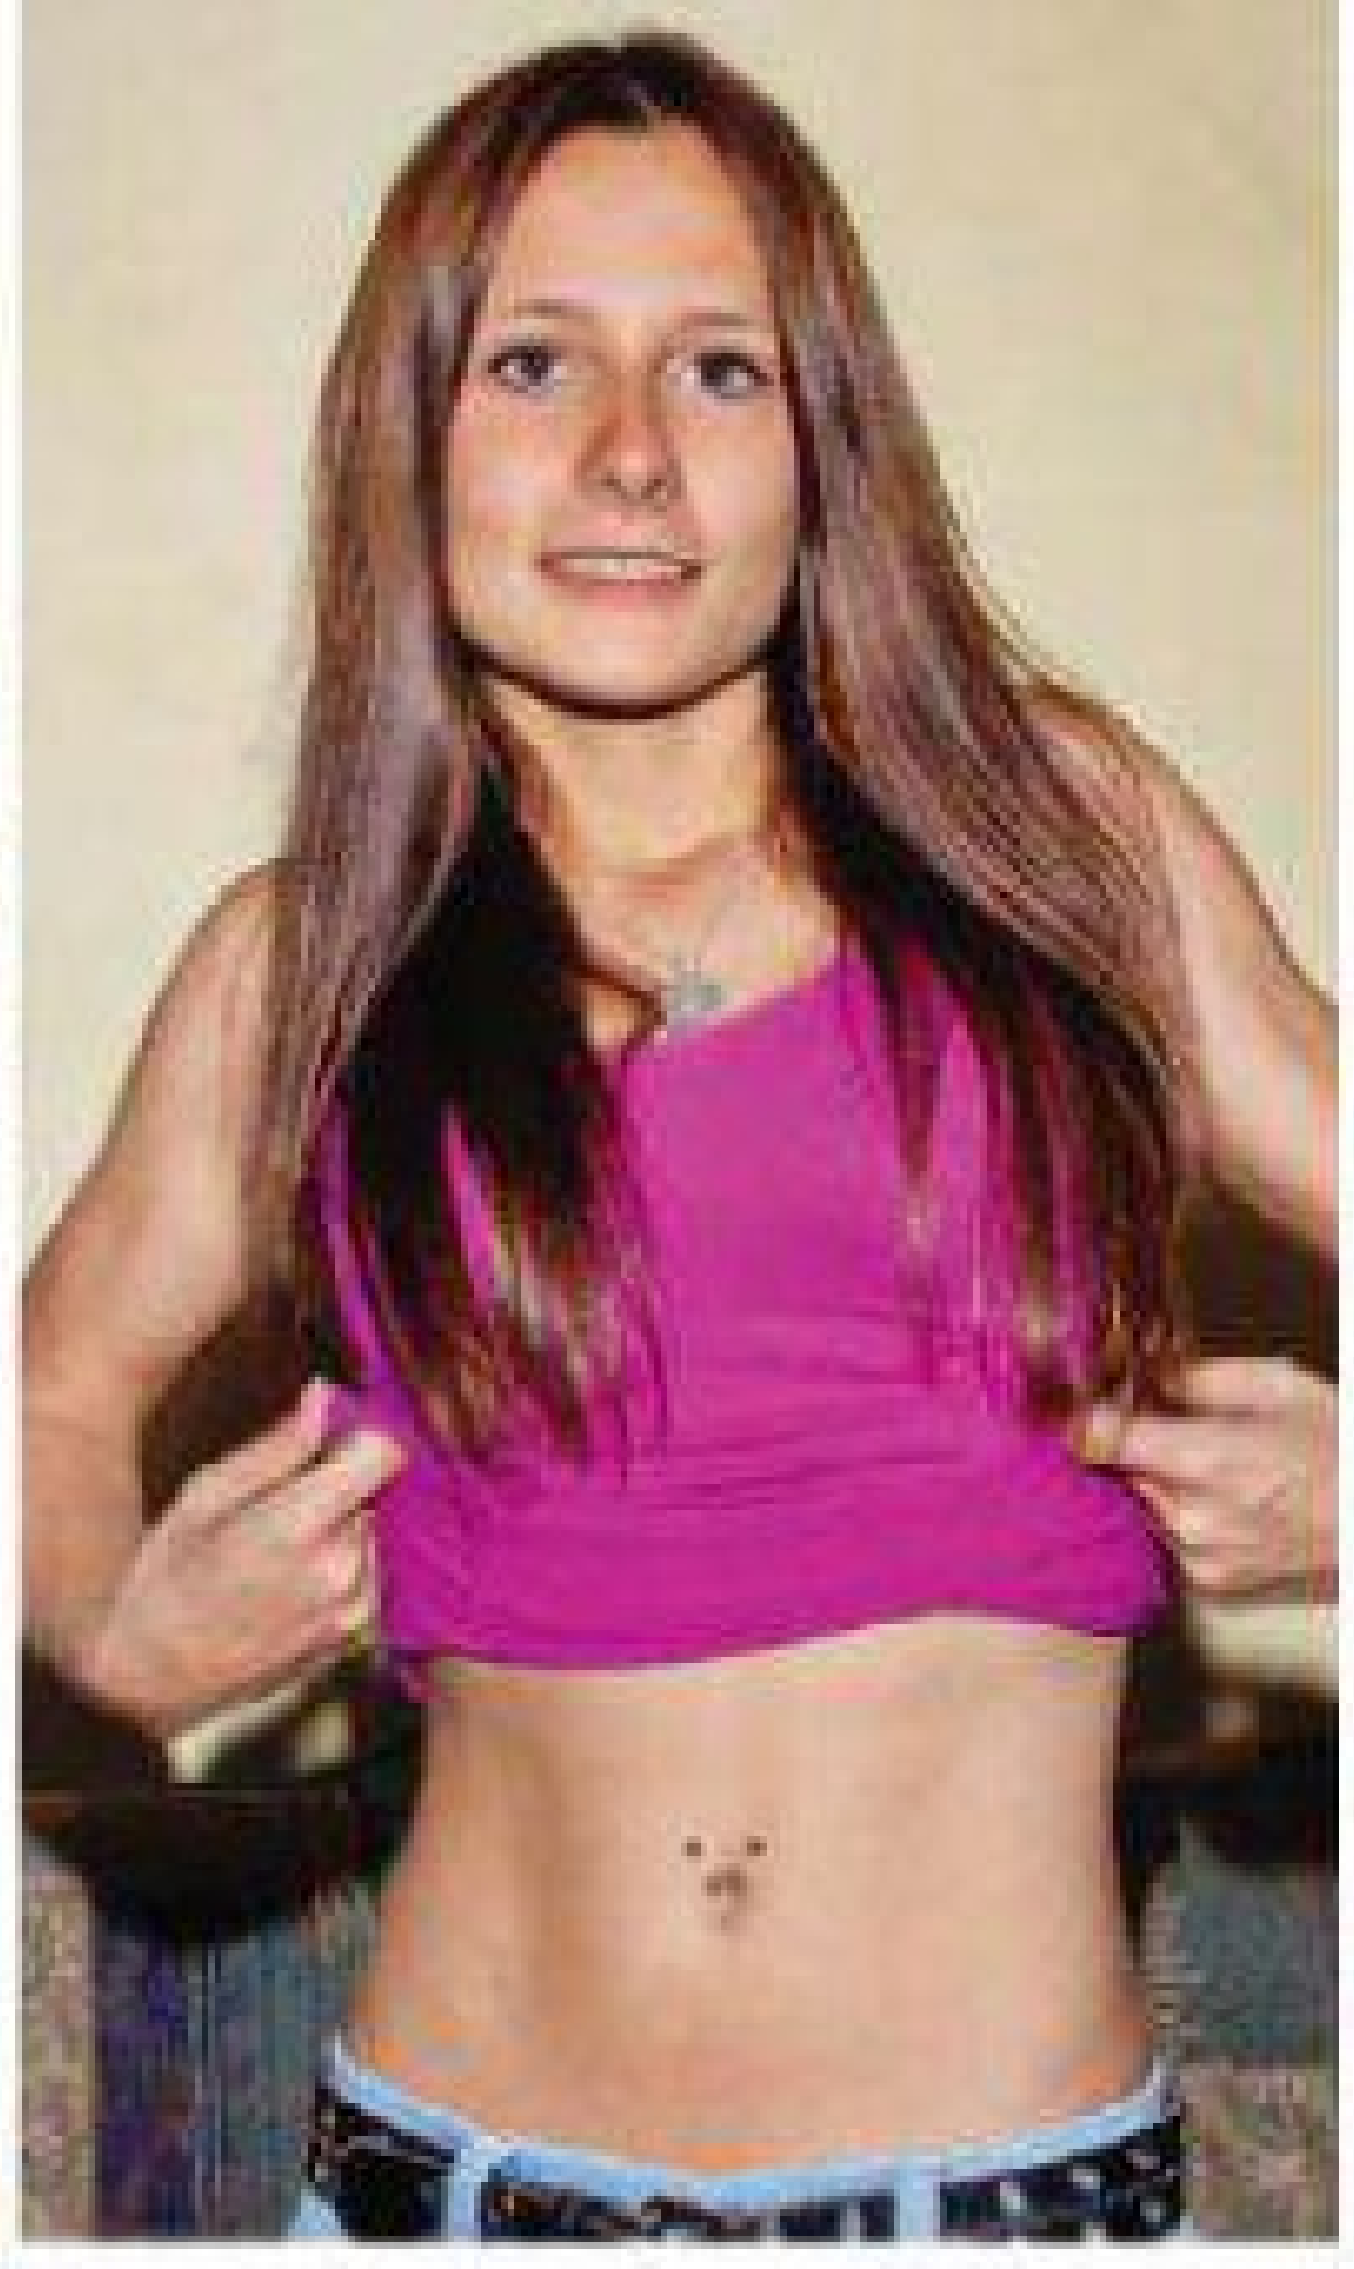
Rachel

Mobile, Alabama

Cashier **Age:** 18 **Born:** August 21
Ht: 4'11" **Wt:** 95 lbs. **Bras:** 32C
Panties: Thongs **Anal:** Not ready for it
BJs: I spit **Diddle:** 3-4 times a week



"I always get pissed off that guys don't take me seriously 'cause I'm short," said Rachel. "It's like I can't be old enough to want to party, much less fuck, just because of my size. That's kinda why I decided to send these photos to *NN*: to show that I'm a 100 percent hot and horny girl. So, am I gonna show the mag to a lot of people? Hell yeah! I want to get all my friends talking about what I did."

"I like to ride on a guy's dick when we're having sex. It's not so much that I get kinda crushed when I'm under a guy, it's 'cause I love having the guy play with my nipples and suck 'em while we're screwing. That adds so much to the whole thing for me, especially if he's doing it while I'm cumming. But I'll try any position a guy wants to do me in. I like doing it doggie-style because it feels kinda kinky, especially if the guy wets a finger and slips it into my ass. But I'm not ready to give up my butthole to a dick yet. I'm sure it's gonna happen some time when I'm with the right guy. But now there's too much for me to learn and enjoy about having regular, pussy sex because I'm still a learner. But the lessons are awesome!"

When Rachel cums

"I'm too shy to make much noise, but some squeaks escape. I move around a lot and hang onto the guy like he's gonna escape or something. My pussy gets really creamy and my face and chest get all flushed."

Give your hand a vacation...

SEXBEAT

To entertain and inform you and help you to enjoy fucking more...and more often

EARLY MORNING QUICKIES DO YOU BOTH GOOD

Many researchers are advocating early morning sex as being good for both participants.

Dr Debby Herbenick, a research scientist and sex advice columnist, said: "Having sex in the morning releases the feel-good chemical oxytocin (in the male and female), which makes couples feel loving and bonded all day long."

Dr Herbenick, author of the book *Because It Feels Good,* said: "Morning sex can strengthen your immune system for the day by enhancing your levels of IgA, an antibody that protects against infection. And it releases chemicals that boost levels of estrogen, which improves the tone and texture of your skin and hair."

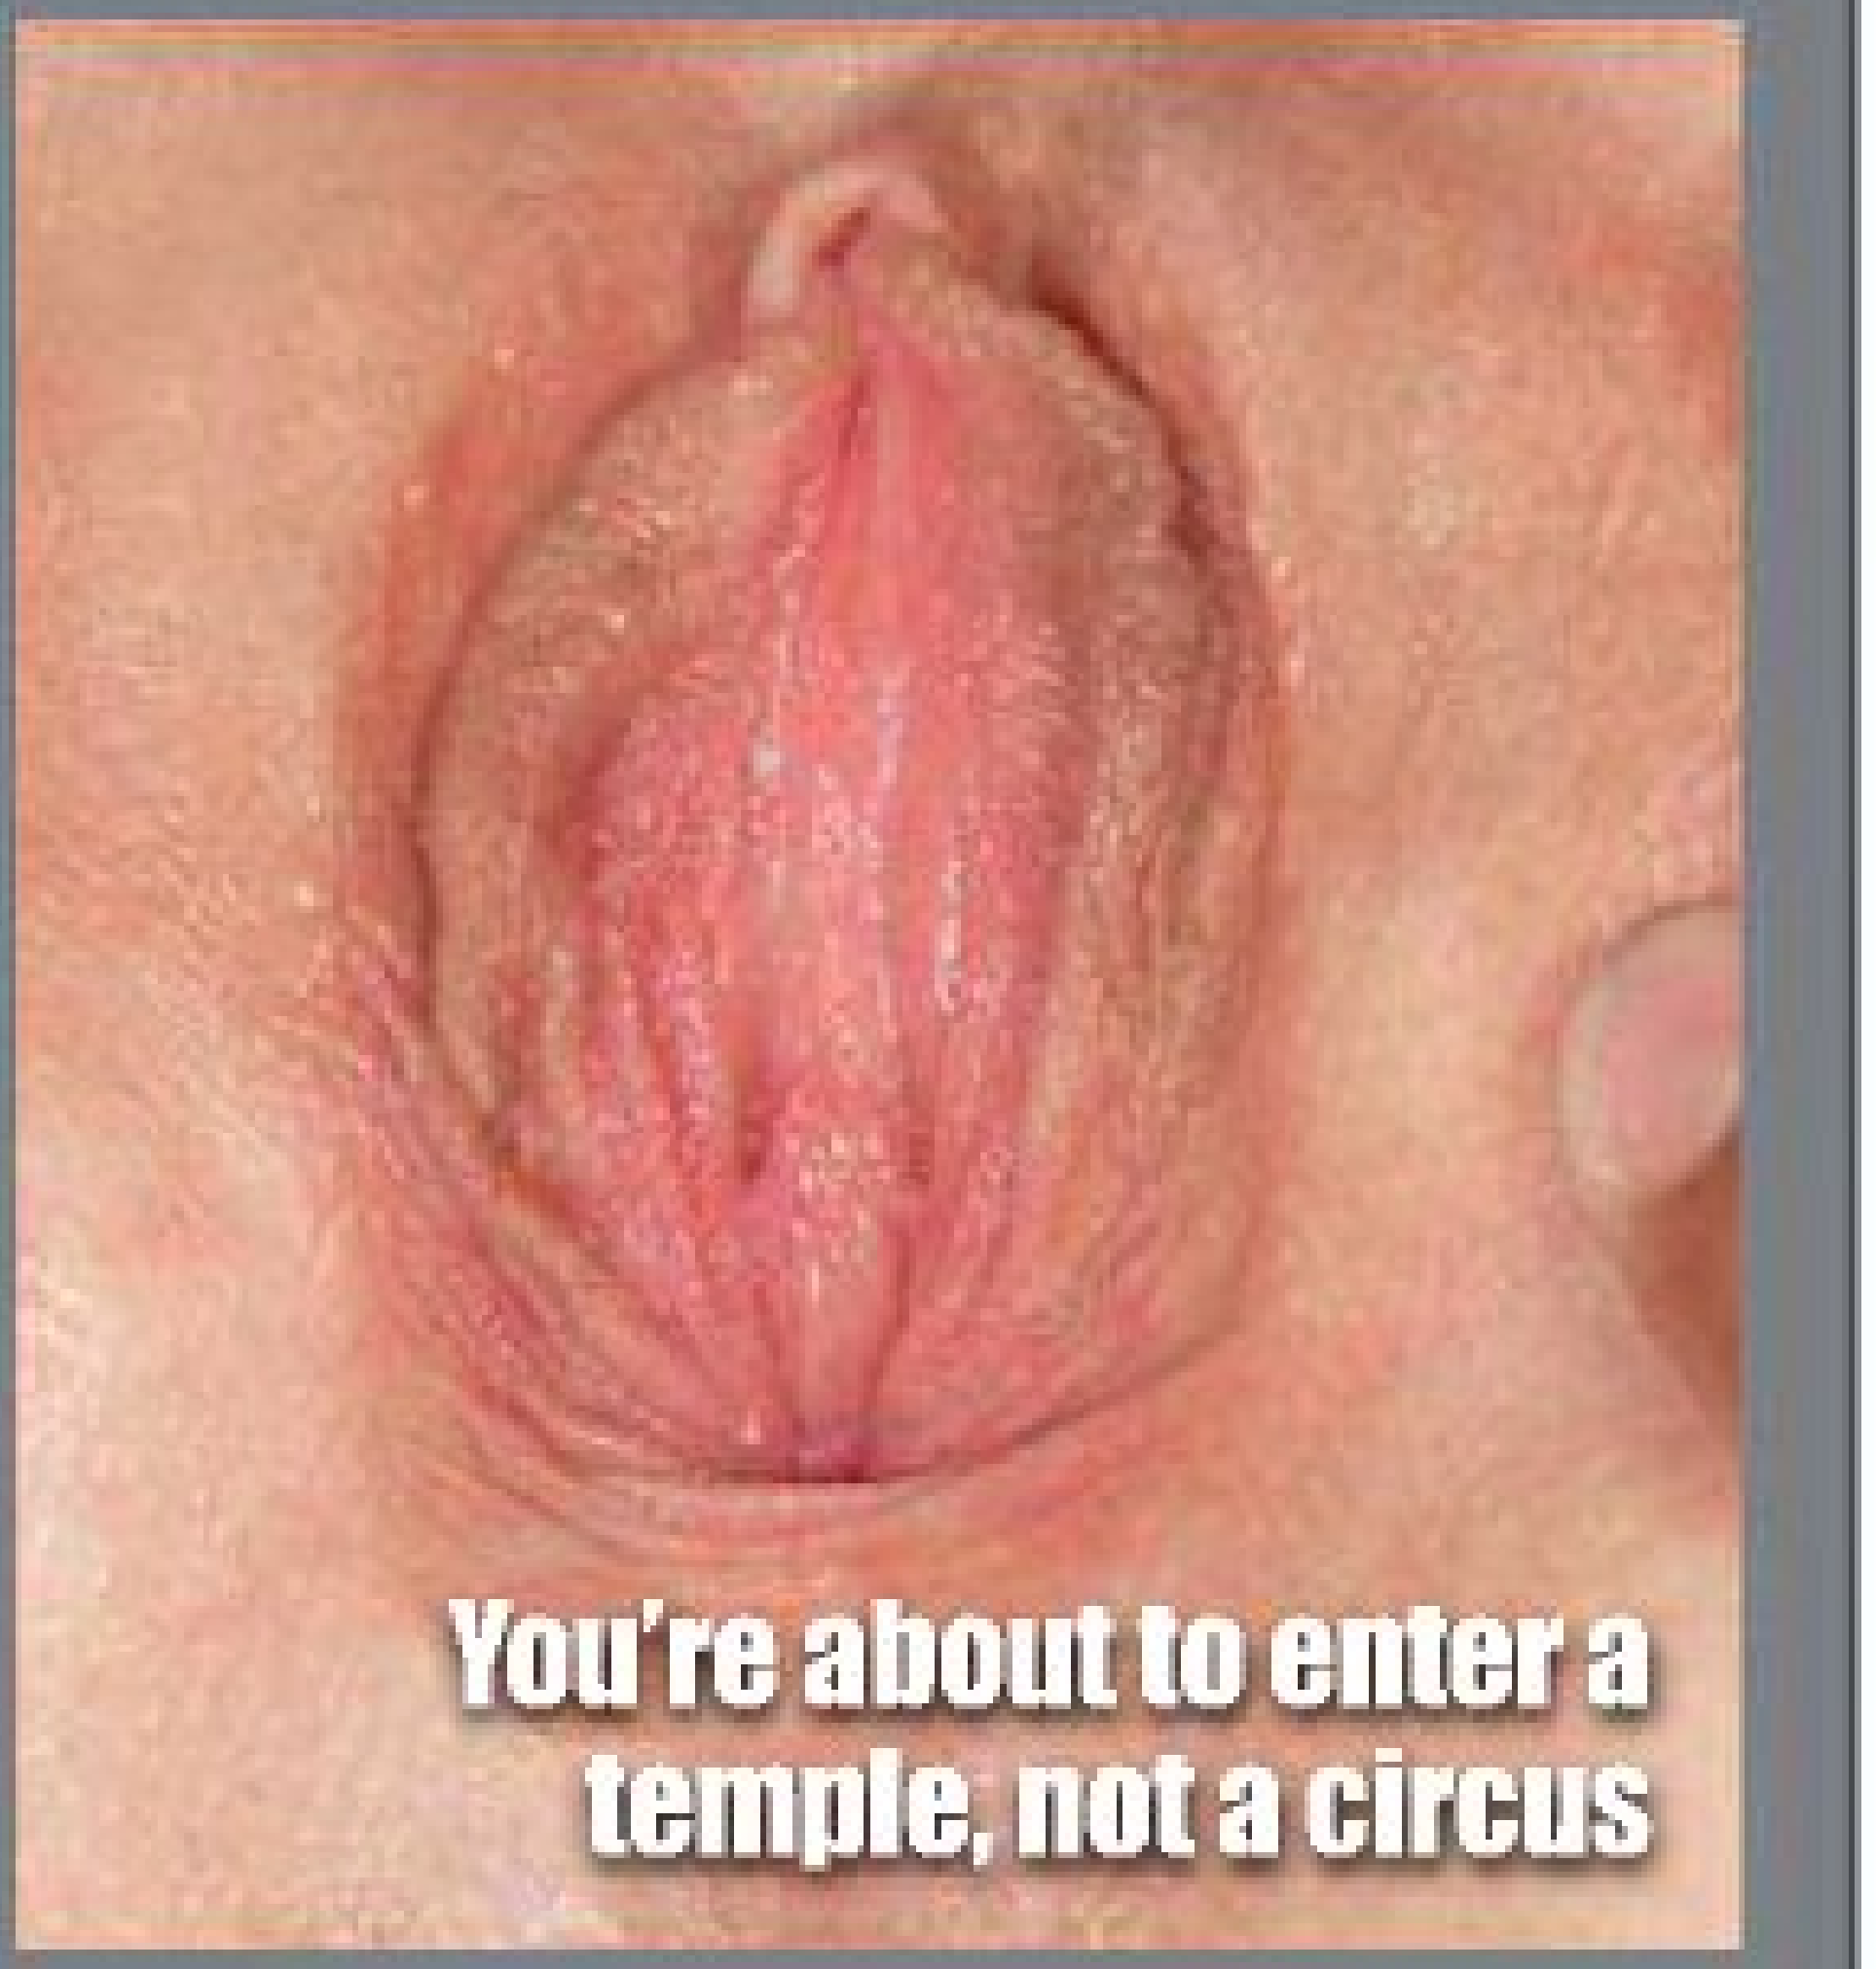
Jane Greer, an American marital therapist, said: "Mornings are the perfect time to indulge because you'll probably be in a rush, and the heart-pounding adrenaline of spontaneous sex will intensify the entire experience."

"While a male sleeps, the testosterone he'll use for the upcoming day accumulates," says Gabrielle Lichterman, author of *28 Days.* "From the time he wakes up, a male has a three-hour window when he's brimming with peak levels."

So AM quickies it is!

RESEARCHERS AND SEX

THERE ARE ALWAYS NEW STUDIES BEING RELEASED



You're about to enter a temple, not a circus

Recent studies related to sex have offered interesting insights. Via yahoo.com, here are a few of them:

Deal or no deal. A recent Oregon State University study found that in 40 percent of young, heterosexual couples, one partner said there was a monogamy agreement in place, while the others said there was no such deal in existence. Married couples were no more likely than unmarried couples to have an explicit agreement about monogamy.

Instant gratification. According to a recent poll from *Men's Fitness* and *Shape* magazines, 40 percent of women say that the use of social media, be it Facebook or text messaging, makes them prone to jump in bed with a partner faster. "If your goal is to have sex, texting is actually helpful for that because it makes the correspondence between people sort of more titillating," said the poll's author.

iAphrodisiac. An informal poll conducted by the dating site OKCupid revealed that the iPhone handily beats out other smartphones when it comes to matters of the heart...or hormones. iPhone owners reported more sexual partners than their Android and Blackberry-owning counterparts. Female iPhone users reported the most sexual partners–12.3 on average–while male Android owners reported the least–six.

DO'S AND DON'TS FOR GOOD SEX

Get her okay before giving her a facial

The following is from alternet.org.

1. Don't rush. It's much simpler and sexier for her to say, "More, harder, oh god, faster," than it is to say, "Whoa! Slow down there."
2. Do provide positive reinforcement. Total silence sucks. If you can't find the words, appreciative noises work just as well.
3. Try for dirty. Don't assume that just because you're in love (or on good behavior), you can't have it dirty.
4. However, do ask permission before giving her a money shot in the face.
5. Do have an over-active imagination.
6. Do practice reciprocity. But do not do unto her with the expectation that she must do unto you in return.
7. Don't assume that what worked on previous partners will work on her.
8. Do tell her what you like; don't expect her to like it, too.
9. Don't pop her buttons indiscriminately.
10. Do remove your socks.
11. Don't think about baseball just to prolong the inevitable.
12. Do wash your hands before you start exploring her body.
13. ...but don't become an obsessive-compulsive cleaner.
14. Do make eye contact.....at least every now and then.
15. Do have a sense of humor.

YOUR SMELL CAN BE A FUCK-BUSTER

In two recent studies at Brown University, Rhode Island, women ranked a man's scent as the most important feature for determining whether she could become sexually interested in him.

Each individual has their own unique "odor print," which is part of a region of genes known as the major histocompatibility complex (MHC). Women prefer the scent of men whose MHCs are different from their own. This is a way of ensuring that a coupling with the male would produce the healthiest offspring.

Her nose knows best

A large group of men were asked to wear the same T-shirt for two days in a row, after which the shirts were put into identical boxes. Women were then asked to smell the shirts and to indicate which they thought would have the most sexually attractive wearers, based on the smell. The women were most attracted to men with an MHC most dissimilar from their own, while T-shirts worn by guys with similar MHC profiles tended to be rated as "fatherly" or "brotherly" but not sexually attractive.

As if to prove the point, in a recent study conducted by the research firm Strategy One, a full 56 percent of the women surveyed said they wouldn't date a guy who smells like their dad.

DON'T MAKE THESE SEX MISTAKES

According to h-spot.com, here are 14 sex mistakes that real guys never make.

Asking To Have Sex. Work up the physical escalation ladder by starting out with basic touching and kissing. She will respectfully stop you if she doesn't want sex. In which case, freeze her out by checking your facebook. Repeat as needed.

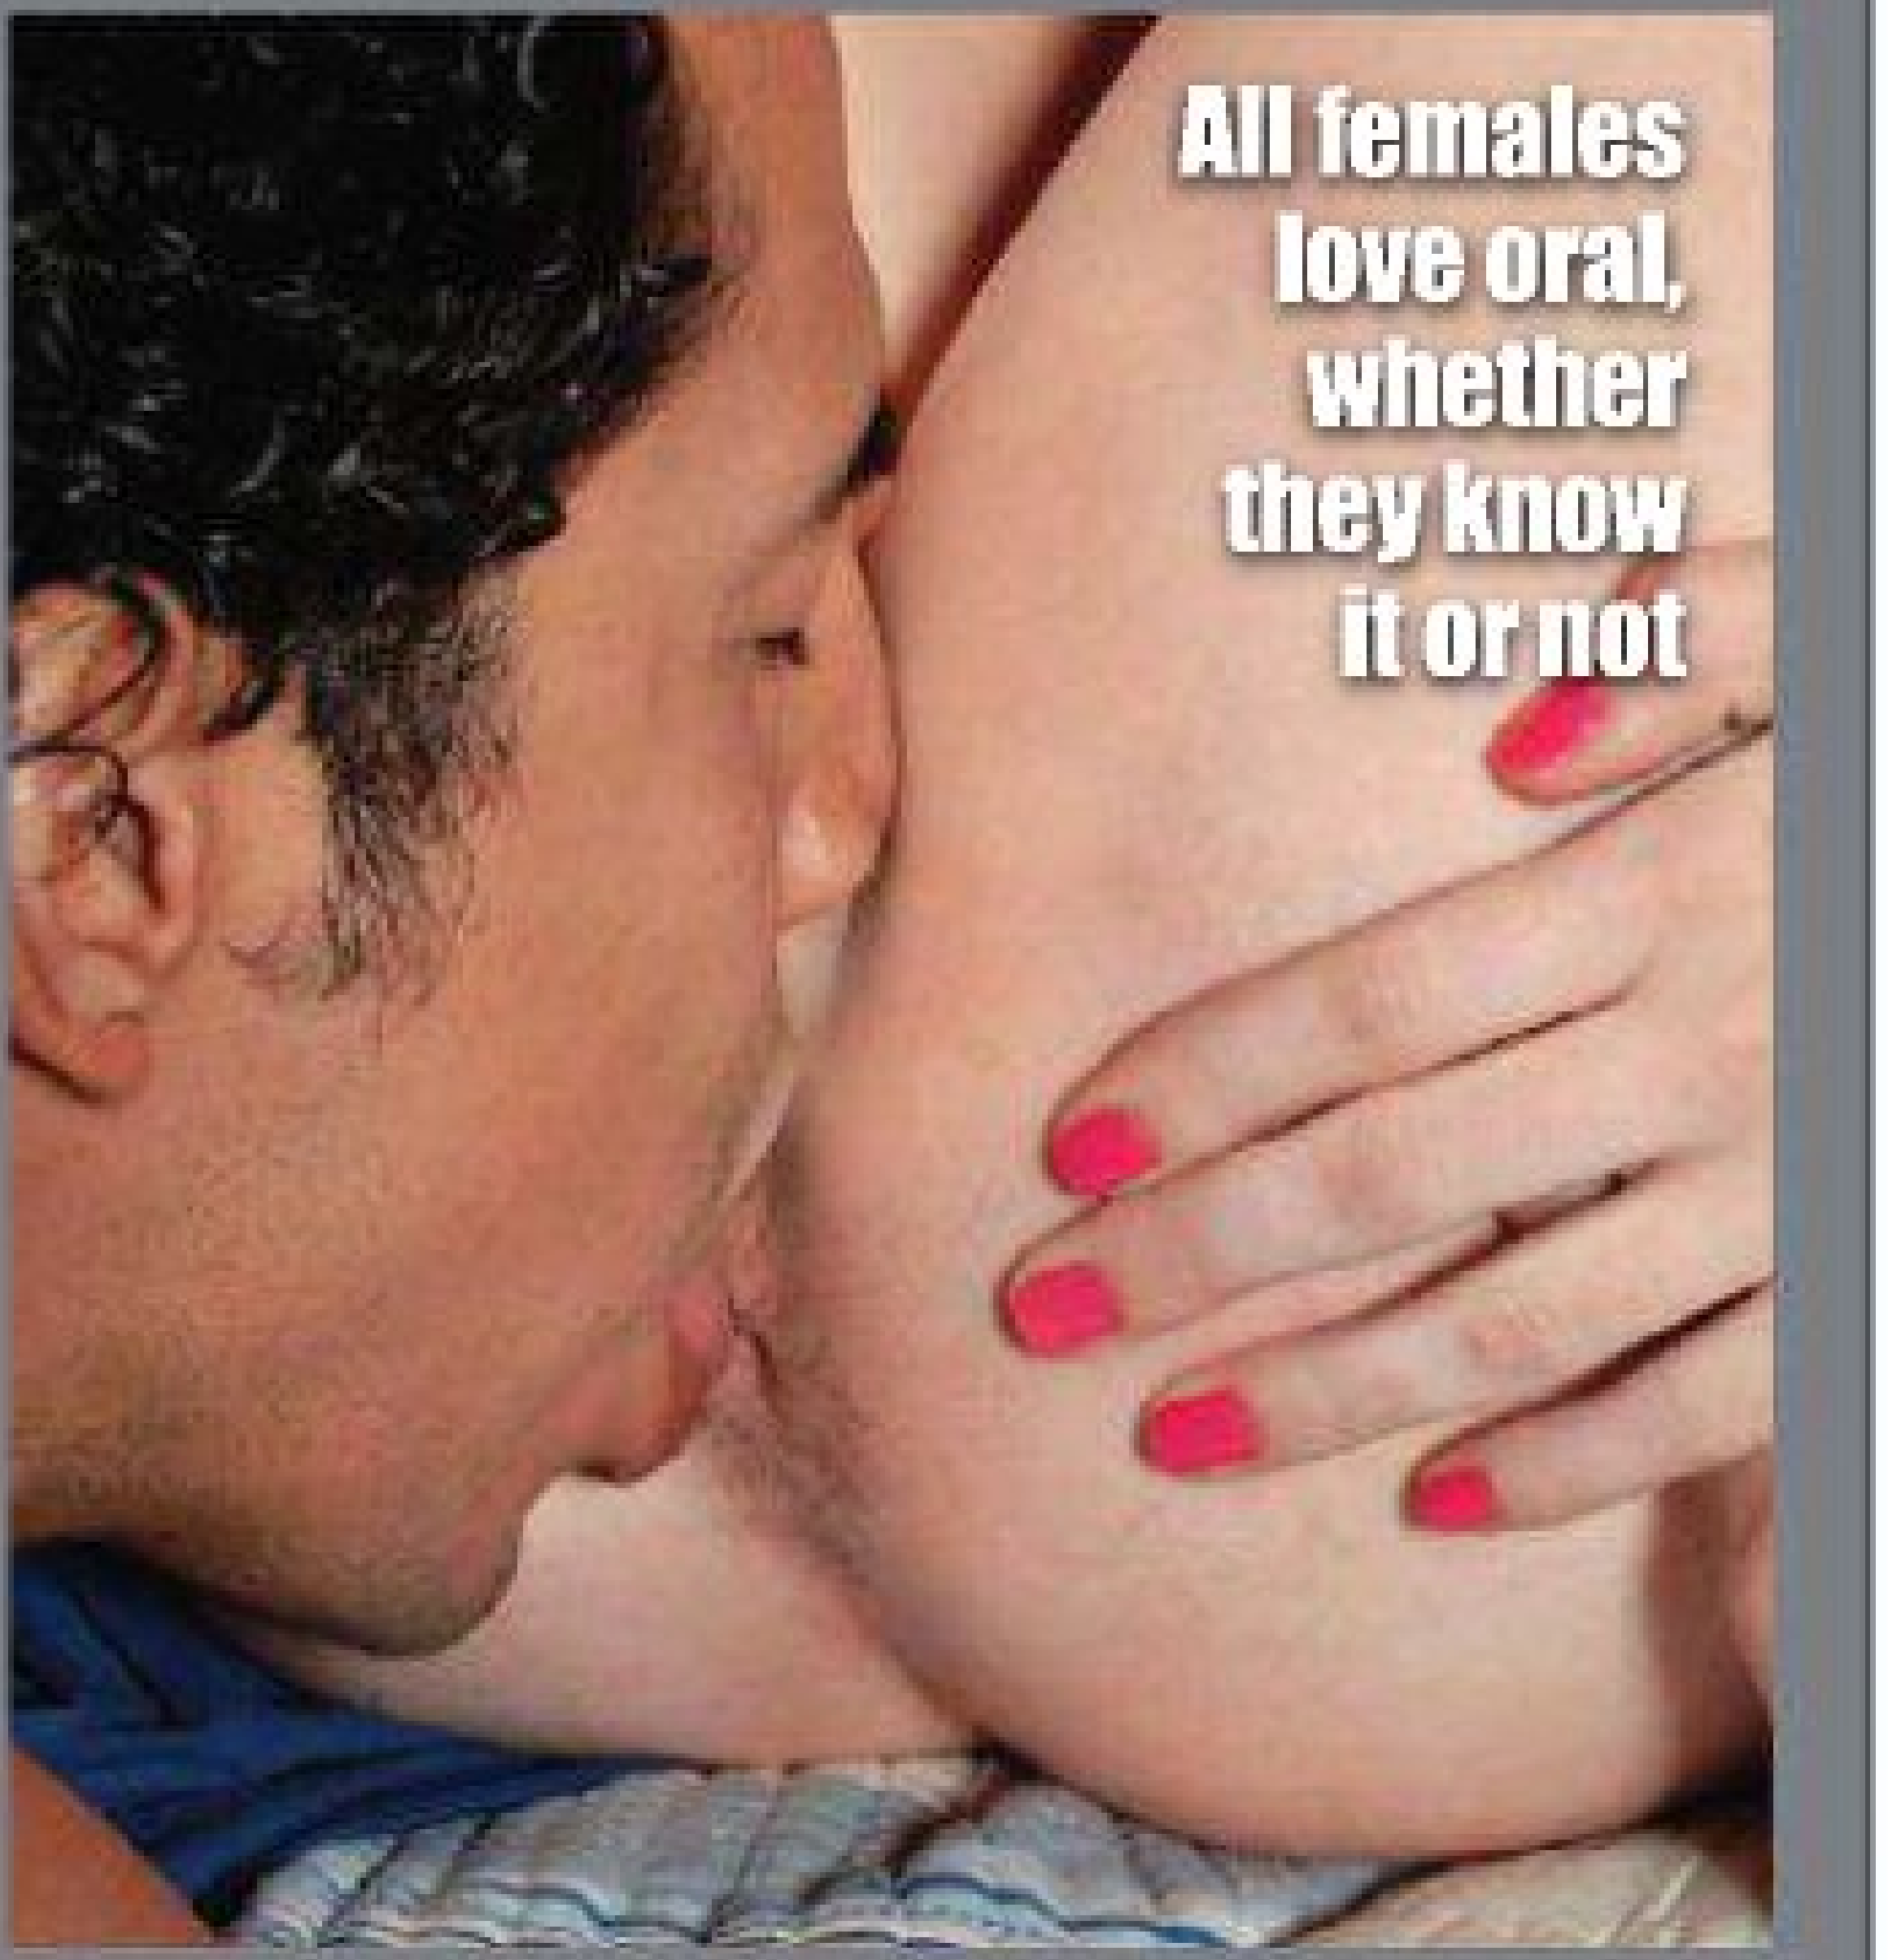
Giving Her A Hickey. Avoid inadvertent hickies by going mouth-wide around her neck & working in your tongue. Slowly close your lips until you're kissing it. The key to avoid suction is by breathing out of your nose.

Not Going Down On Her. Go down on her, pussy!

Rushing Through Foreplay. Slow the fuck down. She isn't going anywhere and it'll guarantee you get yours. You should spend at least 10 minutes in foreplay, teasing and building her up. She'll be soaked in anticipation.

Not Having A Condom In Arms Reach. If you're at your place, have condoms stashed between your mattress and spring-board for an easy grab. If you're at her place, keep one in your back-pocket (just don't toss your pants across the room). Oh, and never bitch about wearing a condom; that's a huge turn-off for all chicks.

Keeping Articles Of Clothing On. Regardless of your shape or size, get buck naked! If you're feeling insecure, turn the lights off. Just be cool and nonchalant about it, and never ask for permission to go lights-low.



All females love oral, whether they know it or not

Fucking Like A Rabbit. Start slow and actually allow her to feel what's going on. Increase speed intervals every 20 or so seconds. Stay attuned to her desired pace by analyzing her actions.

Being Too Gentle. Throw in some hair-pulling, gentle shoulder biting, and the occasional slow-deep thrust. Just don't go over-board with it, sprinkle these into the mix every now and then to keep it hot.

Not Switching Positions. After a minute or so in any position, gauge how she's reacting. If she's into it, continue. If not, move on. This also will help you last longer, shows creativity, and a desire to make it a memorable time.

Never Facing Your Girl. Alternate between positions where you face each other and those where you don't.

Being Too Quiet. Mix in some easy moans & deep breathing. Be even smoother and whisper in her ear and let her know that you've been thinking about fucking her since she arrived. Say her name, let her know you think she's sexy, and avoid clichés, daddy.

Anal Sex Before Anal Steps. If you just started hooking-up, try fingering her asshole and gauge how she responds. Even if she's into it, it's still best to wait until she alludes to it. If it's your girlfriend, speak openly that you would like to try it some day.

Asking Where To Cum. Finish in your condom or her stomach. When she's your girlfriend, you can experiment with cumming slightly higher up her stomach each time til you're near the tits. Gauge her response.

Splitting Right After Sex. Lay naked for at least 10 minutes after. Rub her side and let her know you enjoyed yourself. Even if she gets up, just chill.

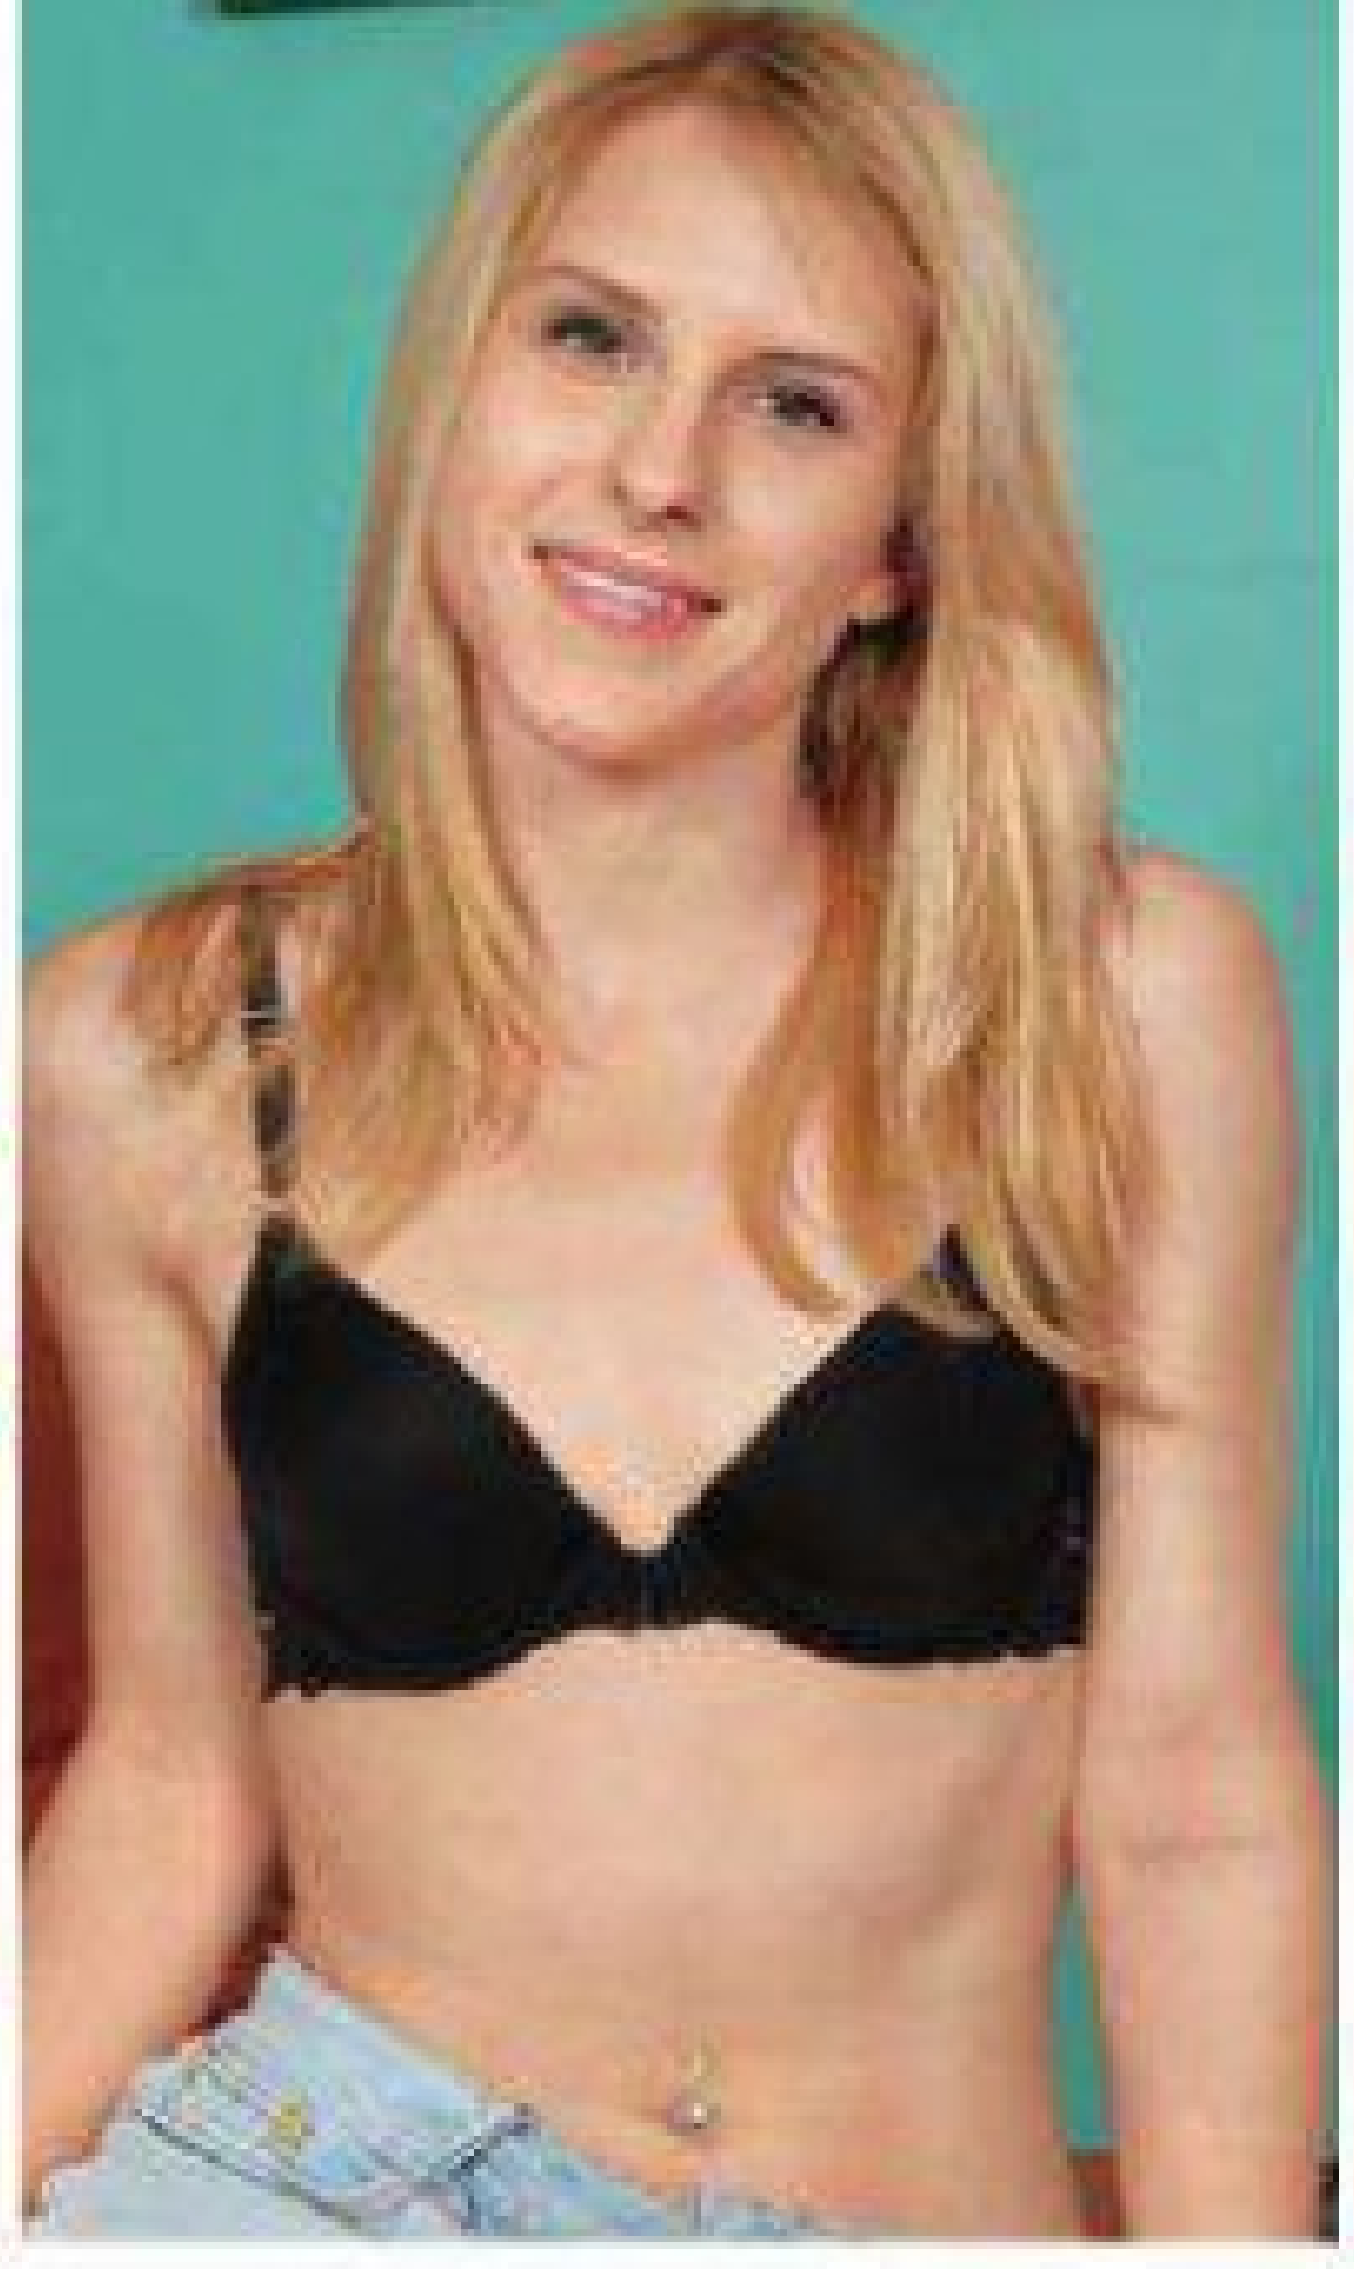
Makeup artist **Age:** 18 **Born:** Dec. 22
Ht: 5'4" **Wt:** 100 lbs. **Bras:** 32A
Panties: Thongs or boyshorts **Anal:** No
BJs: Swallow some **Diddle:** Of course



"I work for a production company that makes ads for TV and music videos and stuff like that," said Raven. "It's a great job: I love going to work every day, even though we often work seven days a week or do 14 or 16-hour days. So I don't get much time to hang out with my friends from school, but I'm having tons of fun after work with the people from work. I get a lot of the guys hitting on me which I enjoy and I flirt with them, but I'm not gonna go any further because it could get really awkward."

StoreKags.com

"I have a boyfriend–he took these photos–but we don't get to spend much time together," said Raven. "He's a senior in a college not far away and he's on the soccer team, so when he's not studying he's practicing or playing. We've been true to each other for two years now, but I realize that it may not last. So when we do manage to get together we make the most of it, which means spending most of the time in bed. I think that we're a truly awesome pair when it comes to having sex. I mean, I'd be lucky to have one orgasm with the couple of boy's I slept with before him, but he takes his time and wants me to get a lot out of sex, and now I cum two or three times, and that's on top of the number of times I cum when he licks me out."

Screwing Raven

"There's a photo of me with my legs back behind my head: that's my favorite way to fuck because my guy's dick goes really deep into me and it rubs my clit a lot. My other favorite way is doggie-style."

Elle

Plymouth, England

Store clerk **Age:** 27 **Born:** August 16
Ht: 5'6" **Wt:** 128 lbs. **Bras:** 34C
Panties: Sexy cotton **Anal:** Ask nicely
BJs: Always swallow **Diddle:** Of course

"I'm a horrible bitch and a real slag," said Elle. "Why? Because I'm shagging a married bloke. He's a bit older than me, and I know for a fact that his wife is shagging around, too, so I don't feel bad about doing it. They don't have any kids which is great, so there's nobody to really get hurt from it. It all started with a casual fuck after a work do, but we really clicked between the sheets and now we want to have more of the same explosive sex whenever we can. I'll take what I can get for as long as it goes."

Shagging Elle

"Once you've licked my clit and I've cum, I'll shag you till you're exhausted. I'll keep on having orgasms for as long as you can keep on shagging me; it doesn't matter what position we're in. And in my bum? Yes, please!"

DRINKING &SEX

CAN BOOZE MAKE SEX BETTER?

By Donna Powell

There is so much misinformation around concerning sex and alcohol that the editor of *NN* asked me to research the real truth. I was delighted to do it.

First of all, it isn't just hearsay or booze propaganda that females get hornier when they drink. In the journal *Nature,* Finnish and Danish researchers reported that women's bodies produce a surge of testosterone after they have been drinking alcohol. That powerful, male hormone is a natural aphrodisiac; when a woman releases it, she often becomes extremely horny and eager for sex. Alcohol's effect on testosterone was strongest in women taking birth control pills, since the pill suppresses natural levels of testosterone. In women who aren't taking contraceptives, the alcohol-testosterone link was strongest just before (and just after) their period.

Any kind of booze activates the "limbic" (primitive) portion of the brain and lessens one's inhibitions; it's the primitive brain that promotes kinky thoughts and that causes certain influences to make us horny. Both sexes are far more inclined to take detours from ordinary intercourse when under the influence. There's a consensus of opinion among sex researchers that nearly all our kinky sex acts are initiated when we're under the influence of a few drinks. Our limbic brain becomes activated and allows us to engage in performances that we might otherwise think of as perverted. Alcohol can instill a female with the "Dutch courage" to try capers she ordinarily wouldn't even consider. She can excuse herself easier tomorrow for her kinky experiment today.

So, if you want to get a female really rutty and as ready for action as you are, get her loaded, right? No! Definitely not! Too much alcohol will simply make her sleepy or sick (or both) and not in the mood for sex at all.

THE RIGHT QUANTITY OF ALCOHOL WORKS AS AN EFFECTIVE APHRODISIAC FOR BOTH SEXES

So, be careful. While two or three drinks can help to make both of you hornier and far less inhibited, a few more drinks can definitely turn you off. The right amount of alcohol varies with the individual's capacity at the time; the same person can drink much more at times without becoming too intoxicated for amorous action. Getting drunk is a definite no-no for good sex.

In addition to getting you both in the mood for sex, moderate amount of alcohol will help to slow down your ejaculatory urge; you'll be able to last longer without cumming. It's ironic but true that a chemical (alcohol) that can cause you to lose control can actually cause you to gain control when it comes to cumming.

Now, before you all go out and start drinking and fucking, three groups should be careful about even moderate drinking: anybody who is about to drive an automobile, people who have an alcohol problem, and pregnant women. Aside from these three groups, the majority of you may actually improve both your health and your sex lives by imbibing a bit. Not only does it relax us and remove the tension that makes sex less pleasurable, but males who drink a moderate amount of alcohol on a regular basis have superior blood circulation in their penis and balls. Alcohol opens the veins and arteries and dissolves the plaque that forms early-on in a male's genitals and lessens the rigidity of his erections. A male who drinks moderately can have harder and longer lasting hard-ons due to the improved blood circulation in his cock and balls. The medical world readily admits it helps a male's heart to drink moderately.

It's a strange fact that different kinds of alcohol can affect you in different

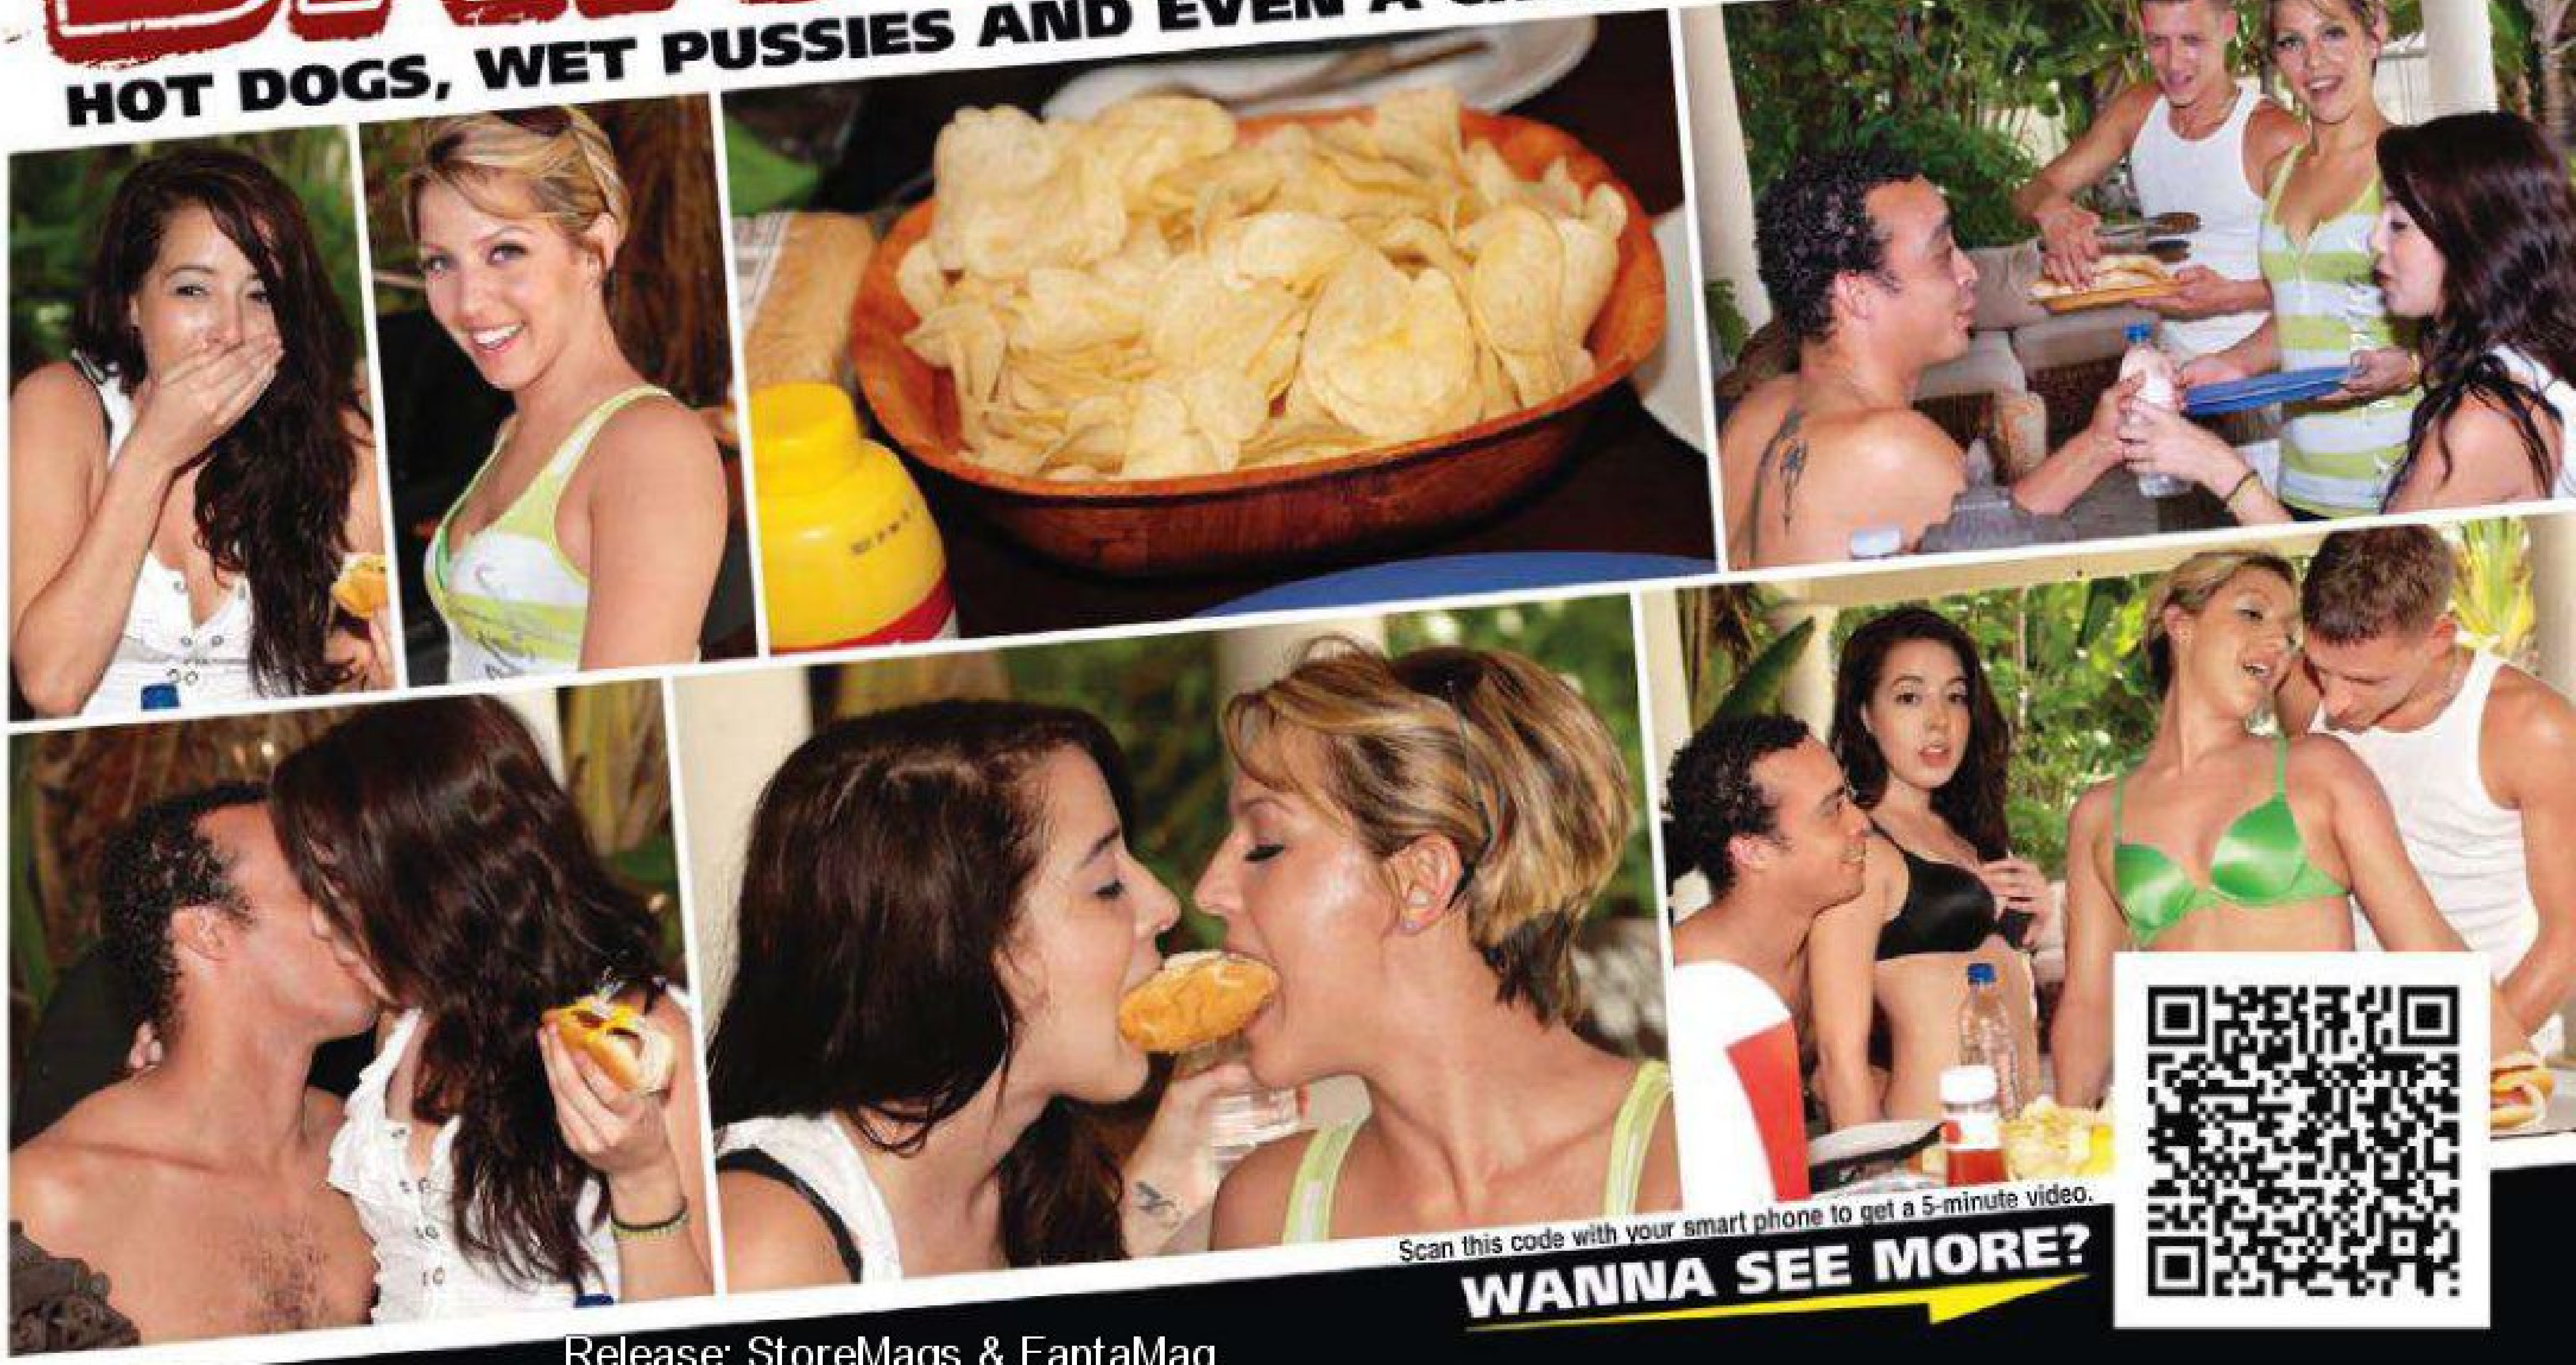
BANGIN' BBQ

HOT DOGS, WET PUSSIES AND EVEN A CREAMPIE. WAY TO GO!



Scan this code with your smart phone to get a 5-minute video.

WANNA SEE MORE?

Aliha, 25, soloed in our April issue and Allison, 18, appeared back in March. When they both expressed an interest in screwing one of our studs, we had them visit the studio at the same time, but with no thought of teaming them up. After the girls had met the guys, Enzo said that he was off home to set up a BBQ for some friends, and the idea of our banging BBQ grew from that. For you stats-hounds who haven't seen the girls before, Aliha, an office worker, is 5'7", weighs 135 pounds, wears 34A bras and usually goes commando. Allison, a student, is 5'2", weighs 110 pounds, wears 32B bras and prefers thongs. And apart from wanting to change places with one of the studs, you don't give a shit about them, do you?

"I don't have a guy in my life any more, just an ex," said Aliha. "He was cheating on me even while he was encouraging me to pose solo for *NN*. I actually caught him screwing a bimbo in the back of his car and I dumped his ass right away. I'm sure he still reads the mag, so that –and curiosity–is why I decided I wanted to fuck one of the studs. It was a day of firsts for me: my first fuck with an honest-to-god stud, my first-ever fuck outdoors and the first time I'd done it with another couple there and going at it as well. And one more thing…it was the first time I've ever cum twice while screwing! That was an incredible bonus to end out a truly unbelievable experience that I'll never forget."

"I'm all about experiencing new things when it comes to sex, and being with a stud, screwing outdoors and having another couple on hand were all exciting new things for me," said Allison. "I want more of all of them! I'd never watched another couple having sex before and I got so horny and wet while I was watching Aliha and Enzo that it was embarrassing. I couldn't take my eyes off his cock sliding in and out of her wet pussy and I could hardly wait till it was my turn to fuck. I orgasmed after Shaggy and me had been screwing for a few minutes: it snuck up on me. I'm kinda used to having guys come right after me because they can't hold on, but he just kept on doing me and doing me till he finally lost control. That was amazing."

"Aliha and me were still super-sexed up when we were done screwing and we were quite prepared to get into some girl-girl loving, but the camera guy said that wasn't on his assignment list," said Allison. "So I'm gonna have to wait to get my first taste of fresh pussy and being eaten out by another girl." Aliha agreed: "Allison's puffy, wet puss looked so appealing that I wanted to get a taste of it and finger it," she said. "But the camera guy was the boss, so we had to get dressed instead. I would have been just as happy to change partners and ride Shaggy's dick to another orgasm or two, and I'm sure Allison would have been up for some more action for that tight, teen puss of hers."

Summer

Hastings, Nebraska

Store clerk **Age:** 24 **Born:** April 12
Ht: 5’2” **Wt:** 115 lbs. **Bras:** 34D
Panties: Boyshorts **Anal:** Too chicken
BJs: Dribble, don’t spit **Diddle:** Yeah

"I deal with farmers and ranchers and truckers every day and I love flirting with them, so my job's a lot of fun," said Summer. "Guys are always hitting on me which I enjoy, and that's how I get most of my dates. Having a 'steady' boyfriend doesn't appeal to me right now; I'd rather be out having fun and playing the field as my mom puts it. Yeah, I still live at home which cramps my social life a bit, but there's just me and my mom and she doesn't ask questions when I stay out all night, as long as I've called her. I'm so excited to be showing my body to all the *NN* readers."

Summer's favorite sex

"I don't care how we have sex; every position feels great to me. I like to change around a few times before I feel the big 'O' starting to build up. Then I do like to go missionary 'cause I always cum best that way."

Sunny
Tampa, Florida
Age 54

Cougarlicious

Sunny is 54; her birthday is February 22. She is a divorced, casino employee who is 5'8", weighs 165 pounds, rarely wears panties and wears 38D bras, only when she has to–like, for work. Sunny actually lives in a nudist resort! "I work nights and weekends, so my time to have a social life is when most people are working," she said. "I never hang out at work after hours; that's a no-no for me, even if some of my co-workers do it. There are places way across town where I go to relax and have a good time. There are always other shift workers–guys and girls–there to hang with. And I can always find a younger guy there to take home to fuck till he's totally exhausted."

"I like to do oral before we get into screwing," said Sunny. "I love to suck guys off. I'm really good at it because I can deepthroat and I'll swallow as much jizz as the guy squirts. I usually give a guy that treat first, then he can recover while he's licking me out. When it comes to fucking, I like to take it slow, however we're doing it, and have the guy do me deep. That's the same whether he's fucking my pussy or my ass. Once my switch gets tripped and I've cum once during sex, I'll keep on having orgasms for as long as he keeps on banging me. But one fuck's never enough for me. I like two, three or four times a session over a few hours."

Jenna

Tallahassee, Florida

Student **Age:** 19 **Born:** October 1
Ht: 5'7" **Wt:** 125 lbs. **Bras:** 36B
Panties: Boyshorts **Anal:** Hell no!
BJs: Spit **Diddle:** Most nights

"I sent my photos in to get the check," said Jenna. "I'm just getting by on what I get every month and that's it. There's no chance in hell of getting a part-time job, so the check from *NN* will help me to go out and have a good time now and then. I don't have a guy who can take me places and pay for it and that kinda sucks. The last guy I dated used to buy *NN*, and he gave me the idea of sending in photos. But he's gone, so I got my roommate to take the pictures. She thought it was great way to make money. Being rude in front of her didn't bother me at all."

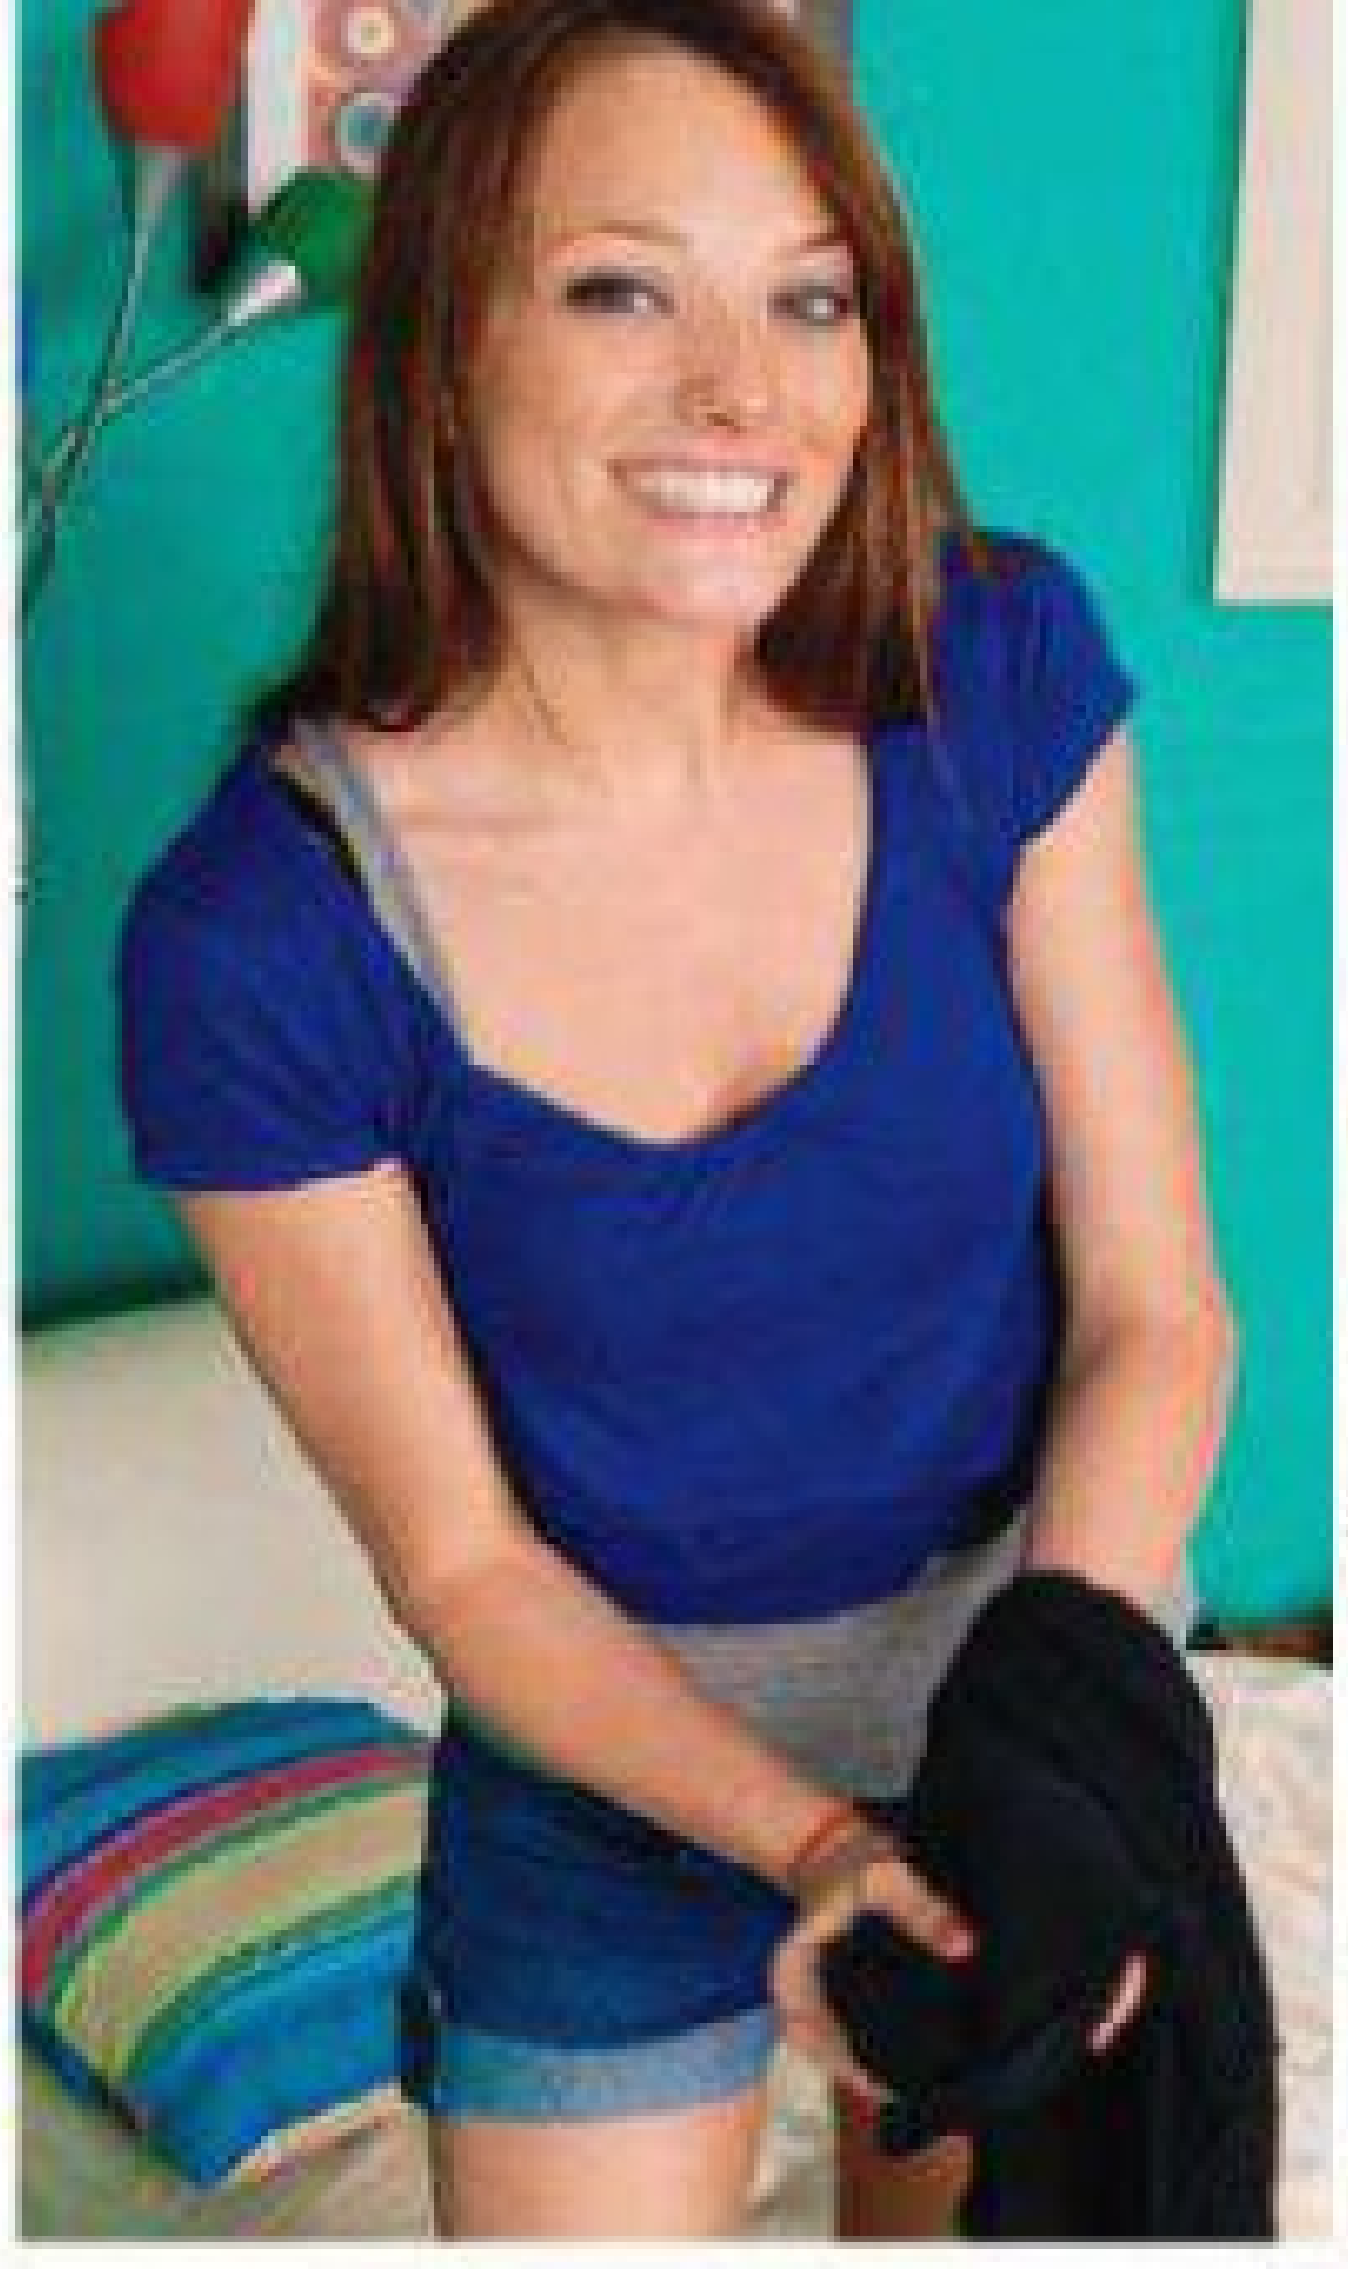
Fucking Jenna

"I'm really inexperienced and I've only done it on top and missionary. I need to have my pussy licked to get off before I have sex, then I might cum again. I'd like to find an experienced lover to teach me."

Tiffany

Bristol, Tennessee

Student **Age:** 19 **Born:** August 15
Ht: 5'5" **Wt:** 111 lbs. **Bras:** 34B
Panties: Thongs **Anal:** A butt-virgin
BJs: I swallow **Diddle:** Who doesn't?



"I'm an only child, and where I grew up there were mostly boys, so I hung out with them and played baseball and football and had fights now and then; the whole works," Tiffany said. "But in grade school and even high school, a lot of the kids thought of me as a tom-boy. And it didn't help that I had the smallest titties of all my girlfriends. So I actually had a hard time to get a date for senior prom which really sucked. But I'm all grown up now and I hope that some of my old male friends see me in the mag and can't help but jack off over the photos."

Sex with Tiffany

"If I want you, I'll seduce you! I'll make all the moves, starting with a BJ. Then you'd better eat me before doing me. I like to be on top, but once I've gotten off you can do me doggie-style or any other way."

MAN JOKES

JULY 2011

Double standards

I'm sick of the double standards in my marriage. My wife cames home with a Rampant Rabbit, and she was a naughty girl with a special new toy. But when I ordered a "Fistmaster 5000 latex pussy, with realistic, elasticated asshole and spunk-collection tray," then I'm some kind of sick bastard.

Quickies

- I just texted my wife a picture of my limp dick.

I wanted to let her know I was thinking about her.

- Last night, I found out my wife has been fucking my best friend. I feel so let down...

I thought he had better taste than that.

- Apparently, just because sperm is good for the complexion, it doesn't give me the right to shout "OLAY!" as I cum on my girlfriend's face.
- My wife told me to get on the internet and buy something that makes me last longer in bed.

I ordered sleeping pills.

- Apparently, ejaculating twice a week improves your immune system.

So I must be fucking invincible!

- I took a girl home to fuck last night.

"I'm going to keep my bra on because my tits are tiny," she said.

I said, "Okay, I'll keep my boxers on."

- My girl was sucking me off and said, "Let me know when you want to cum."

Suddenly, I shot my load in her mouth and all over her face.

"I told you to tell me when you wanted to cum!" she bitched.

"I didn't *want* to cum," I replied.

- According to this article I read, when a woman goes on a date, she decides whether or not she's going to sleep with the guy in the first 12 seconds.

How are these women getting drunk so fast?

- I've got a thing for women in uniform so I recently arranged to meet a police woman I'd met through an internet dating site.

Imagine my disappointment when she turned out to be an 18-year-old nympho.

- Why is it that when my girlfriend decides to wear a pair of my boxers she thinks it's cute and sexy, but the moment I put on a pair of her panties, I get yelled at like I'm some kind of freak?
- Spray-on tans...

For those who can't get a real tan because they think the sun shines out of their ass.

- During passionate sex with my girlfriend last night, those famous, lust-driven words were moaned: "You make me feel, like a woman!"

I have no idea why I said it; it just felt right.

- I'm so happy...

I feel like a gynecologist who just saw Cameron Diaz in his waiting room.

- My wife bought some expensive, sexy lingerie to spice up our sex life.

Didn't work...she's still ugly!

- My buddy died while fucking his mistress.

Telling his wife, "At least he died doing what he loved," wasn't the best way to make her feel better.

- I met a girl in a club last night, and as I was taking her to the dance floor, she said: "I have something to show you: my panties match my socks"

I took off. The stupid bitch wasn't wearing socks.

- I just gave my girlfriend an almighty pumping.

Then, when she was fully inflated, I had sex with her.

- I keep trying to get my wife into porn...but she keeps finding the camera.
- An apple a day keeps the doctor away...unless your name is Steve Jobs.

Blind date

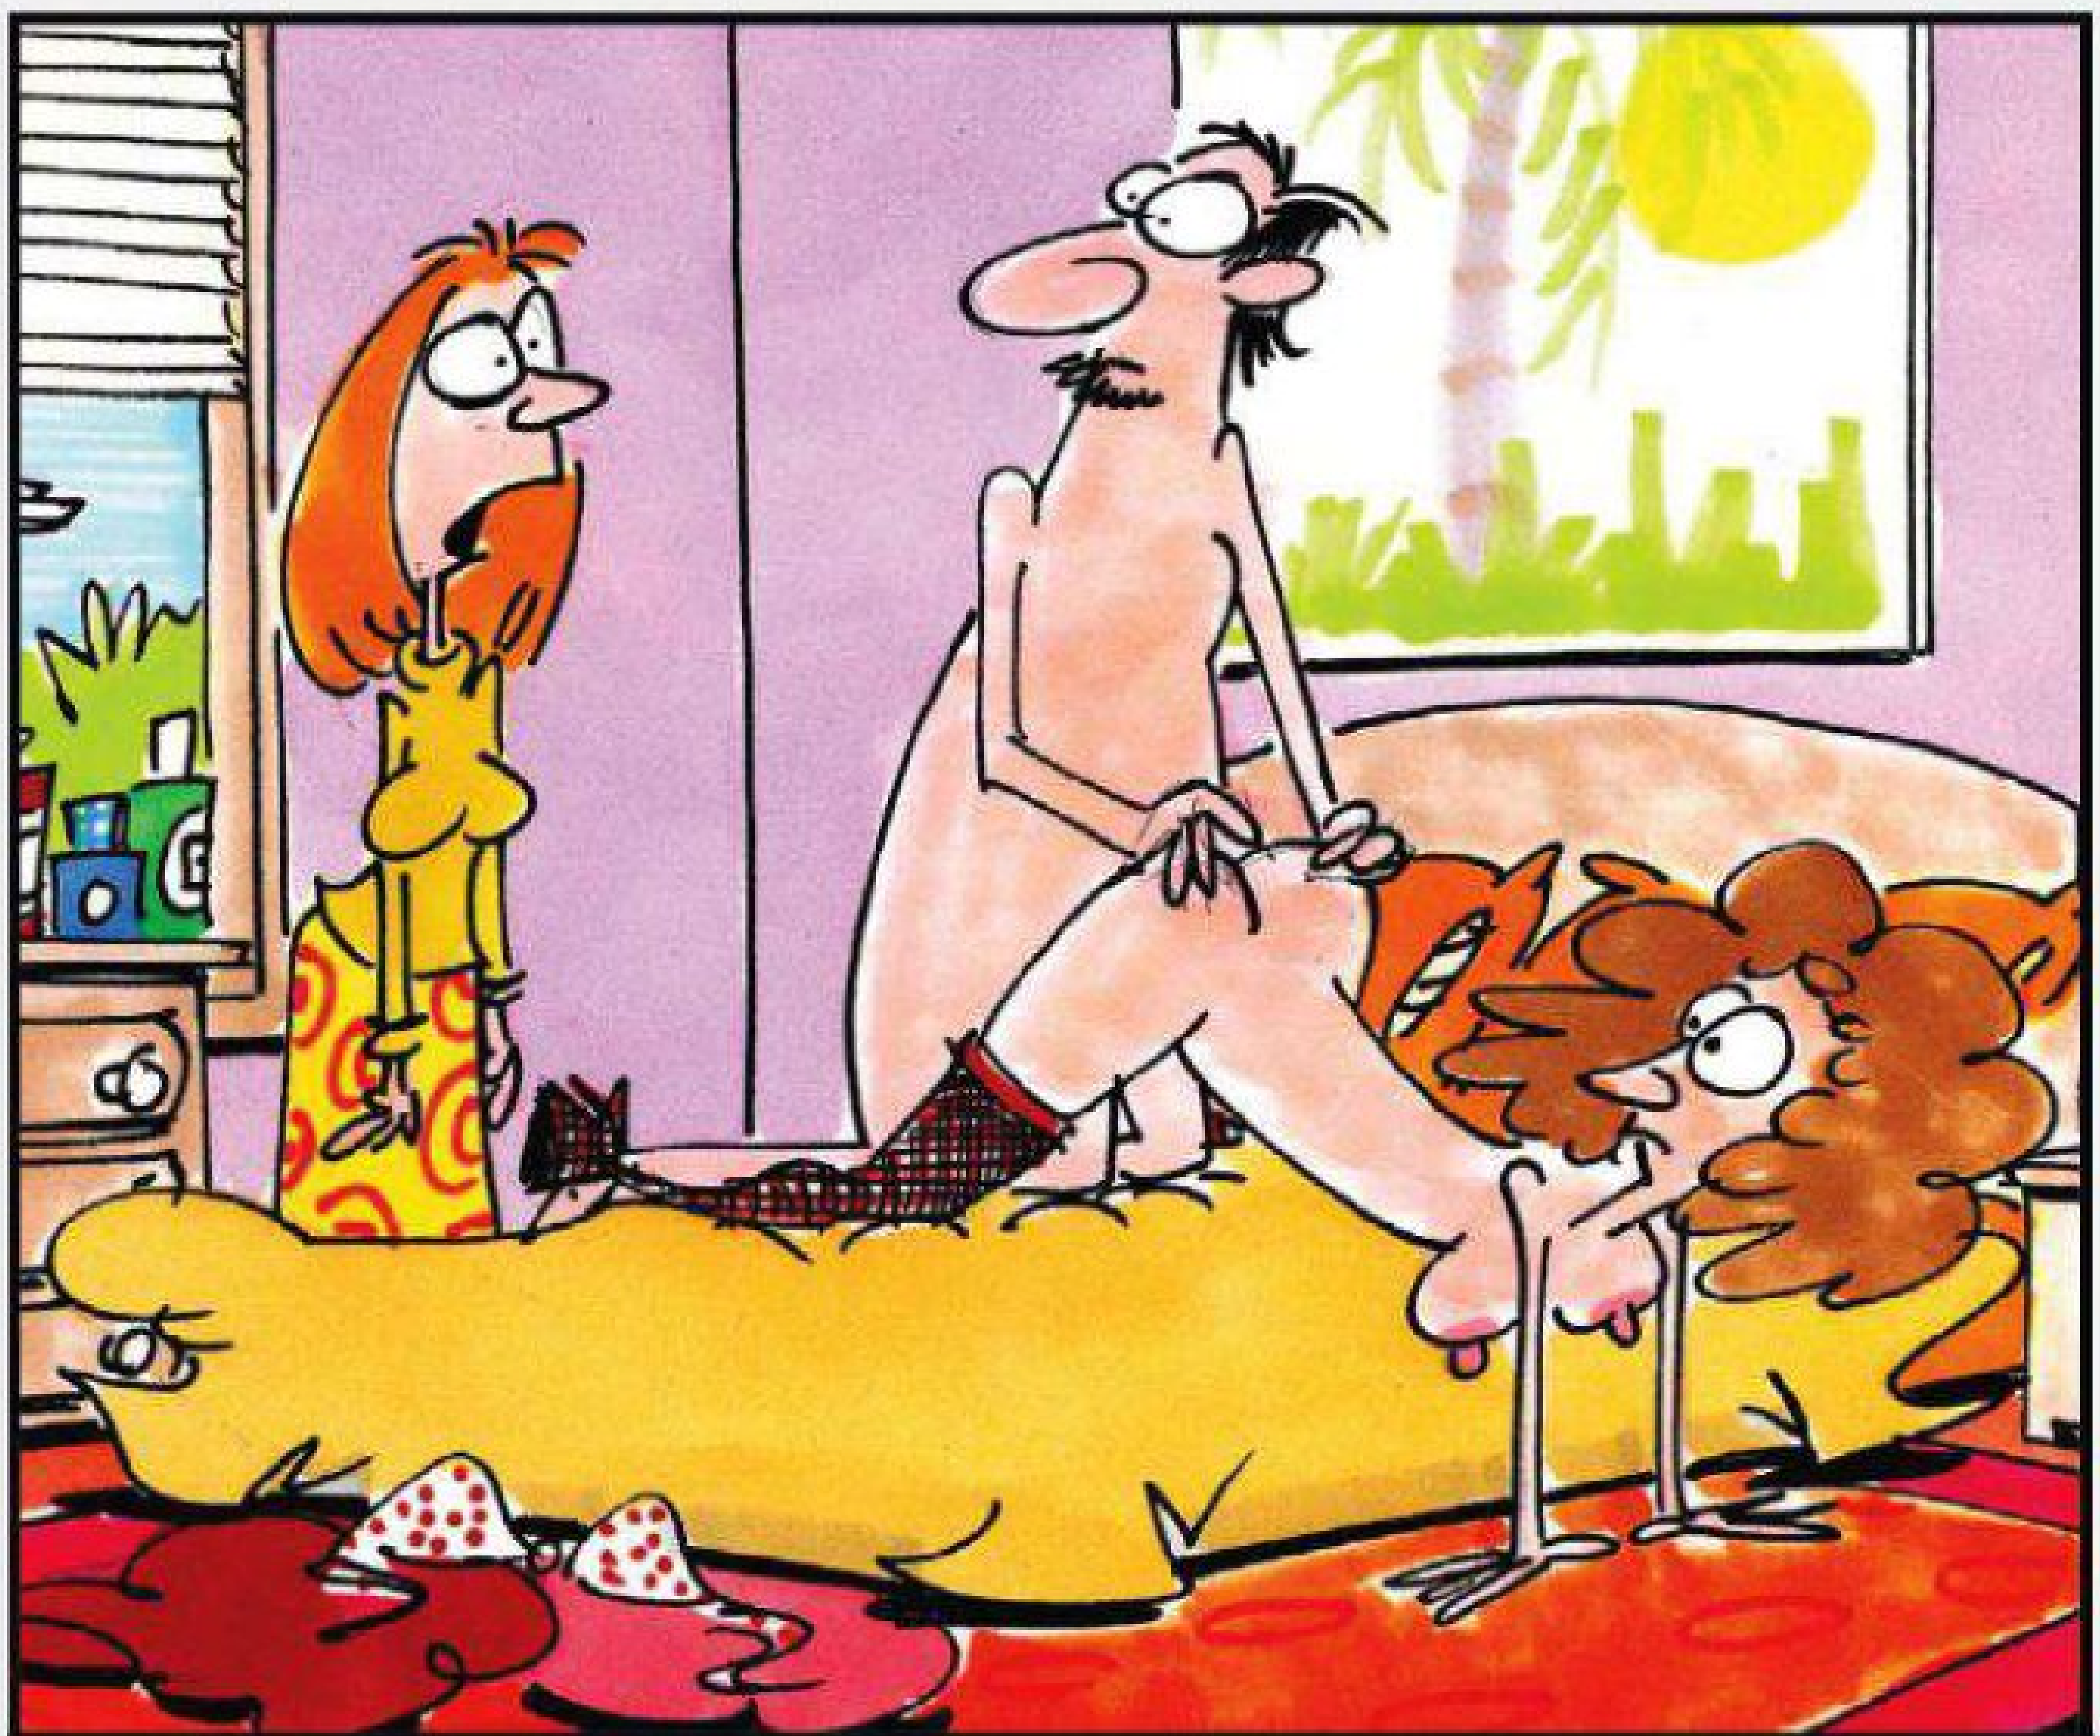
After a boring dinner, a guy couldn't take another minute with his blind date. When he took a pre-arranged call from a friend, he just listened, lowered his eyes, put on a grim expression and told her, "I just got some bad news. My grandfather just died."

"Thank god!" his date replied. "If yours hadn't, mine would have had to."

The plunge

After months of my girlfriend saying that we should "make the ultimate commitment" and "take our relationship to the next level," I finally took the plunge and went for it on Valentine's Day.

I'm single again. Turns out she meant getting engaged, not having anal. NN



"So, Stan, this is the 'loose end' you had to take care of before our wedding?"

KOMACHI OLYMPIA, WASHINGTON **AGE 26**

BUSHY BABY

The U.S.A. has come through with a *Bush Baby* for a change. About time! Meet Komachi. Her birthday is December 23, she's 5'5", weighs 102 pounds, wears 32B bras and likes bright, cotton panties. This restaurant shift manager took a lot of persuading, but her boyfriend –an occasional *NN* reader–finally convinced her that she looks sexy as hell naked and a lot of guys will really get off on her bush. Thanks Craig! "It is exciting to think that men all over the world will be looking at every part of my body and getting off while imagining fucking me and who knows what else," said Komachi. "But I think I would die if a guy ever came up to me–say in the restaurant–and told me he'd seem my photos in the mag. That would be a bit too much."

"I like sex–lots of it," said Komachi. "I'd have sex every day if I could. But I work nights and Craig works days, so we don't get together as often as either of us would like. Every way we do it is my favorite because I cum easily and often. I like to do anal as well because it feels so naughty to be doing it but it feels so good. I have actually cum that way a few times. I have never had a shaved pussy and I don't intend to ever do it. I've had a few men in my bed before Craig and none of them ever said anything bad about my pubes or wouldn't have oral sex with me. I really like 69 and I'd rather do that than have oral sex with one giver and one taker at a time. I sometimes cum two or three times before Craig shoots his load in my mouth. And I swallow it all."

Jenny

Homestead, Florida

Student **Age:** 19 **Born:** September 1
Ht: 6’ **Wt:** 140 lbs. **Bras:** 36B
Panties: Cotton **Anal:** Talk me into it
BJs: Mostly spit **Diddle:** Too much

"My boyfriend's always telling me I look like a prude and I'm too quiet and shy, even though he knows that I'm not, especially when we're naked together in his bed," said Jenny. "I just dress and act the way I do because that's how I am. But to prove him wrong and surprise the crap outta him, I got my best friend to take these photos. I'll wait till the magazine is published, then hand it to him and ask if he still thinks I'm too 'tame' for him. I've gotten lezzie with my friend a couple of times. My boyfriend knows, but he's not been invited to join us…yet."

Screwing Jenny

"I love being screwed from behind, either doggie-style or if I'm on my side and my guy's behind me. I'll have my one, big orgasm any way at all, and it's always way more intense when he's playing with my titties."

Tara

Miami, Florida

Massage therapist **Age:** 43 **Born:** May 9
Ht: 5'3" **Wt:** 110 lbs. **Bras:** 34B
Panties: Thongs **Anal:** I enjoy it a lot
BJs: I swallow **Diddle:** Hardly ever

Tara was born in Chile and lived all over the place before settling down in South Beach. The recently-divorced mom sent photos to *NN* because, "I need the money," she said. "Now I can afford to go clubbing with my best friend. (She took the photos.) I'm a really good mom, but every two weeks my kids spend Saturday night with my friend's mother and we girls go out and have fun. I love to dance, and I'll dance with any guy if he's good at it. Do I have sex? Sometimes if a guy gets me really hot, I'll take him home for sex for a few hours, but I won't let him stay all night."

Sex with Tara

"I like to cum first from having my clit licked and I'll suck the guy some. Then I like to have sex in different positions. The more we go, the wilder I get till I'm having orgasm after orgasm and I'm crazy and loud."

ways at different times. You and your lover can become as horny as toads on two or three glasses of wine today, and tomorrow the same wine and amount can have no noticeable effect. Sometimes, mixed drinks make you both buzzed and horny: another time beer does it and hard liquor doesn't. It's all due to a body's chemistry. When you drink a chemical called alcohol (in any form), it mixes with your own internal chemicals and causes different reactions according to the particular mixture at the time. Your emotions and your daily nutrition both strongly affect your internal chemistry: certain mixtures at certain times can be turn-ons or turn-offs.

Two of the best results obtained from imbibing a bit of alcohol for a male is that you can last a lot longer without cumming and you can cum again with much less down time. A few drinks not only slows down your first ejaculatory episode, the amount of cum you expel is significantly less–which conserves some semen for a second cumming. Cumming is somewhat less exhausting for you with some alcohol in your blood because your climax simply doesn't drain your last dregs of semen.

THE "HORNY HANGOVER" IS A MEDICALLY-ACCEPTED REALITY FOR MANY GUYS AND GIRLS

Oddly enough, a hangover can often put both sexes in the mood for action. Drinking too much causes our blood vessels to dilate (enlarge) while we're drinking; then these vessels contract after we've stopped drinking. These contracted vessels increase blood pressure in our genitals, which in turn causes us to feel horny–and which can also cause a headache. The "horny hangover" we sometimes get the day after drinking is definitely caused by our contracted blood vessels and the increase in blood pressure in our sex organs. Both sexes also tend to cum harder and longer when suffering from a "horny hangover." Sexologists say that some semi-impotent males deliberately induce a hangover in order to satisfactorily perform. To me, the prize hardly seems worth the penalty.

Fucked by a Stud

Lynxie & Juan

Lynxie, 20, is a student who decided to come fuck one of our studs after hearing about our house party (covered in several previous issues), which she knew about but never got around to going to. This babe is 5'1" weighs 124 pounds, wears 34A bras and likes sexy thongs. "If I'd been at the house party, I probably would have been in there, sucking dicks and fucking the guys like the other girls did because I love being the center of attention and doing outrageous things when people–especially guys–are around," she said. It took me all of five minutes to decide that I wanted to be in *NN*, doing it with one of the big-dicked studs."

“My boyfriend is even more weird than you might think I am,” Lynxie said. “He’s way into voyeurism, and he really pushed me to go ahead with screwing for the magazine. I thought that he might want to be in the room, actually watching us, but he said he just wanted the satisfaction of seeing the layout in the mag and knowing it was his girl who was sucking a stud’s cock, working him good and getting his jizz salute.”

"I have my best orgasms from screwing doggie-style," said Lynxie. "But, no, I'm not into giving up my butthole to be filled with cock. It just doesn't appeal to me although I'll try most anything else that's not gonna hurt me. I like sex that starts off slow and kinda gentle and gets harder and faster as my guy and I get more and more excited, till he's really pounding into me. I can't believe how excited Juan got me before we even started screwing. I had my first little orgasm just after he started pumping me. That was a surprise for both of us. Then another big one built up and exploded and that's what made him cum, I think."

DRINKING

continued from page 68

book *Sex In The Fast Lane*, tells us that "couples who drink together sometimes engage in a kind of spontaneous, unplanned sex that can't otherwise be equaled. "Of course, a fast, spur-of-the-moment fuck can occur without the stimulus of alcohol. But warmed and made bold by alcohol, we're far more likely to fuse for a blind fuck in environs other than our beds. Females appear to be especially susceptible to spontaneous seduction. Granted, it's a hit or miss proposition. But you're more likely to score more hits with your miss when she's slightly snockered than when she's completely sober. When alcohol warms her belly, it's only natural for some of that heat to move down.

For some unknown reason, it seems that wine is often an effective aphrodisiac. Both red and white wine appear to contain a mysterious ferment that can cause even a semi-frigid female to feel more like parting her thighs. Red wine especially is known to be more swiftly assimilated than other liquors and to be more warming to the blood.

BEER IS THE MOST EFFECTIVE BREW FOR BUILDING AND MAINTAINING A USEABLE ERECTION

There is new evidence also that any liquor or mix that contains caffeine can be effective for some as a libido enlarger. A mixture of caffeine and alcohol can excite the central nervous system and turn one's agitation into increased sexual desire. When a chemical depressant (alcohol) and a chemical stimulant (caffeine) are moderately mixed together, the combination can often increase sexual excitement. Caffeine's stimulus works to offset alcohol's natural sleepy effects; the limbic brain is excited and kept wide awake.

Beer is far and away the most effective brew for the building and maintenance of a usable erection. A male's hard-ons are actually more rigid and long-lasting if his bladder contains some residual liquid (beer) and if his inclination to cum prematurely is retarded by imbibing a moderate or diluted form of alcohol (again, beer). Beer effectively slows down ejaculation while it simultaneously increases the compaction of blood in a male's prick. But too much brew consumed too swiftly can be as

detrimental to your dick as any form of alcohol. A bender will give you a bender.

Just the right amount of liquor at just the right time can occasionally give a guy a hard-on that seems to have the rigidity and persistency of stone. It stays stiff as a statue for hours on end. It's as if his prick had become a perpetual motion machine that exists solely for fucking. Such hard-ons are rare; it usually requires more than a few drinks to acquire a petrified penis; the condition is clinically called "alcohol induced tumescence."

Most couple agree that fucking when under the influence is usually more fun and more memorable that stone-cold sober sex. A few drinks can make a mundane fuck more fabulous in the same way that it can make us more sociable in society. By occasionally imbibing a bit of some favorite booze before we fuck, we can cause that cunt and cock connection to last longer in both fact and memory.

Not only is alcohol a social lubricant, it's also a sexual lubricant in that the surge of testosterone a female gets from drinking causes her cunt to secrete liberal quantities of Bartholin's Fluid (pussy juice). Testosterone also causes her clitoris to swell with blood and her entire cunt feels warm and flushed, Her nipples become erect and hard and her breasts swell and become more sensitive.

WOMEN GET BEER GOGGLES, TOO, AS MANY HAVE FOUND OUT WHEN WAKING UP IN A STRANGE BED

Sexologists say that some females are so susceptible to the testosterone surge that they are at least 50 percent less resistant to sexual advances than when totally sober. Guys often use alcohol to make females more inclined to want sex. But few guys know that it often works because it releases a surge of male testosterone, the same hormone that makes them horny.

Keep in mind that it's the moderate use of alcohol that can make sex better. Drinking excessively robs you of the vitality and health that makes you even want to perform. Both your heart and your prick will be healthier and plaque-free if you down a couple of drinks a day. Too much booze is a downer to your dick. There is absolutely no doubt that the euphoric glow from a few drinks can make even a fast fuck seem downright fantastic.

So, cheers and good hunting to you all. Remember…moderation. NN

"I'm done with trying for a serious relationship for a while," said Jessie. "I've got great friends and a good job that pays just fine, so I can't complain about anything. But, for all that, I felt that my life was in a bit of a rut, so I let one of my fuck buddies talk me into posing for these photos as a rut-buster. I used my digital camera and he only got a couple of prints for his efforts, but he also got what he said was the hottest fuck of his life when we were done. I am an exhibitionist, and now I've taken that about as far as I can. I can't wait to see myself in the mag. That will be so exciting."

"I have a couple of guys—one's married—who I can hook up with when I want to get laid. It's wild 'n' dirty sex with no commitments or bullshit. I think there are a lot more women who are into it than admit it."

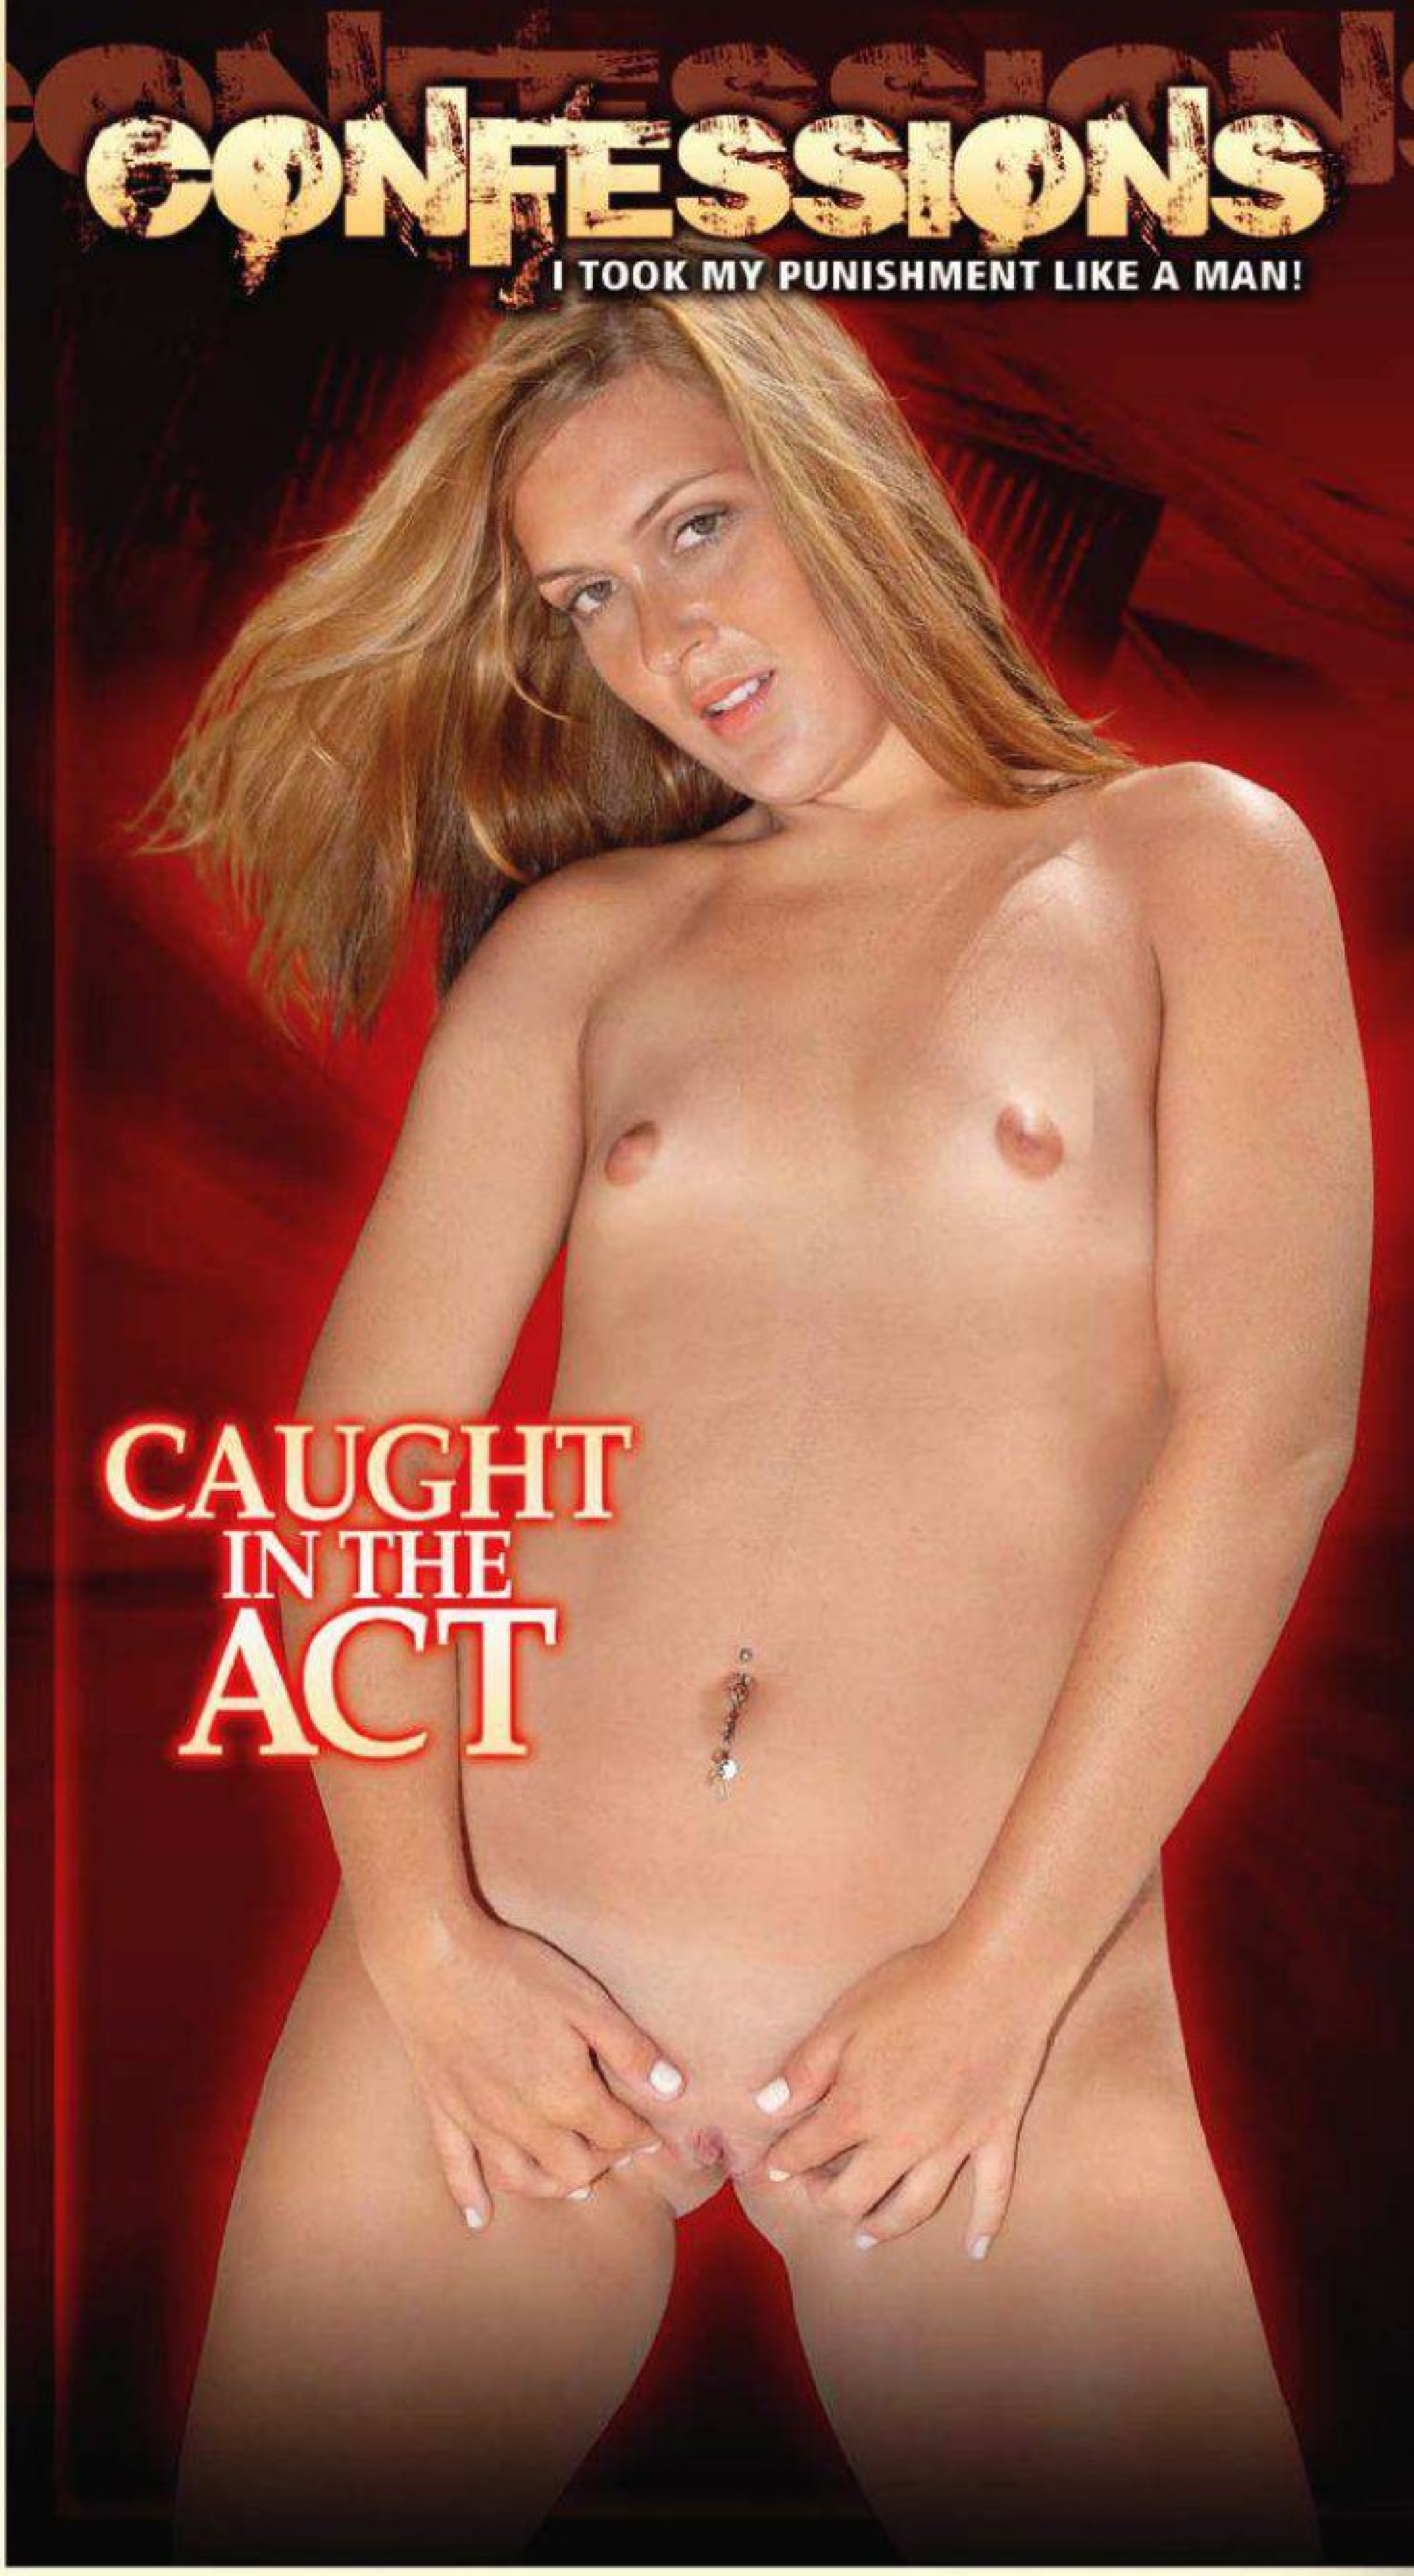
CONFESSIONS

I TOOK MY PUNISHMENT LIKE A MAN!

CAUGHT IN THE ACT



My folks let a couple of my friends and I use their third-floor, timeshare condo at Padre Island (Texas) during Spring Break. It was awesome standing on the balcony at night with a beer in one hand, watching the waves roll in. We'd been partying hard since we got there but, on our third morning, I was up early; well, it was almost 11. I grabbed a beer from the fridge, slugged down most of it and went out on the balcony. What I saw on the balcony below woke me up in a hurry!

A sexy-looking babe was lying topless on a chaise lounge. She looked to be mid-20s, a couple of years older than me. Her eyes were closed. She was quite tall and had small breasts. But what a cunt! She had a thong on and it was right up the middle of her swollen-looking pussy lips. I wondered if she'd had a hard night and that was why they were so swollen.

As I thought about that, I pulled my cock out of my board shorts and gave it a stroke. It was rock-hard, and now that I had a fantasy in mind it made it throb. I didn't even think about being seen jacking as I watched her. It was as though we were alone, and with the sun beating down on my knob, I found myself near to cumming.

Suddenly she rolled over and I saw her incredible ass. The cheeks were like big melons, hard and firm with the thong disappearing in her crack. It was like she was totally naked.

That was too much for me and I shot my spunk. It flew high over the balcony and, because of the breeze, it landed on her back. I stood there stupidly as she quickly turned her head.

"Hey!" she shouted. "What the fuck are you doing?"

"Oh God, I'm so sorry," I said, stuffing my cock back in my shorts. "I saw you lying there and something came over me."

"No, you just came over me, asshole, so you'd better come down and wash it off"

I couldn't believe what she had said, but I raced downstairs. She opened the door, still dressed in her thong.

"The bathroom's this way," she said sauntering off, her amazing butt wiggling.

I longed to touch that ass. And I couldn't wait to see how she wanted me to wash her down...bath or shower. My cock throbbed at the thought.

The bathroom had a double shower stall. I was hoping she'd tell me to strip but she didn't and I didn't dare ask or do it. She inched her thong down, and I saw that some of my spunk had dribbled down to the crack of her ass.

She hit the faucet and the water jetted out over her lean body as she stepped in. She handed me some soap which I quickly soaped up and ran over her back, getting turned on at the way the suds cascaded down to her butt, the place I was wanting to go.

"I want it all gone...understand?" she snapped.

"Yes," I said quietly, unsure if she was mad or teasing me.

I ran my hands softly over her back and further down into the crack of her

ass and over those awesome cheeks. She parted her thighs and allowed me to run my hand lightly over her slit. She moaned softly into the spray as I continued to wash her awesome body. My cock was bursting to be freed, and I was hoping for some action real soon.

She turned and leaned back against the wall so the water could hit her tits.

"You might as well do my front. But your shorts are wet. Wanna take 'em off?"

I nodded stupidly and dropped them to the floor, proud that my cock was standing to attention. She handed me the soap and I moved in and began to soap her all over. Her breasts were firm under my hands, and as I soaped her nipples, they responded by stiffening.

SHE PARTED HER THIGHS AND ALLOWED ME TO RUN MY HAND LIGHTLY OVER HER SLIT

Down over her mound and onto her pussy I went, carefully washing her thick lips as she opened her thighs for me to soap up her legs. It was awesome, I can tell you, especially when my cock accidently rubbed against her, the water hitting it turning me on even further.

"You'd better soap yourself up, too,

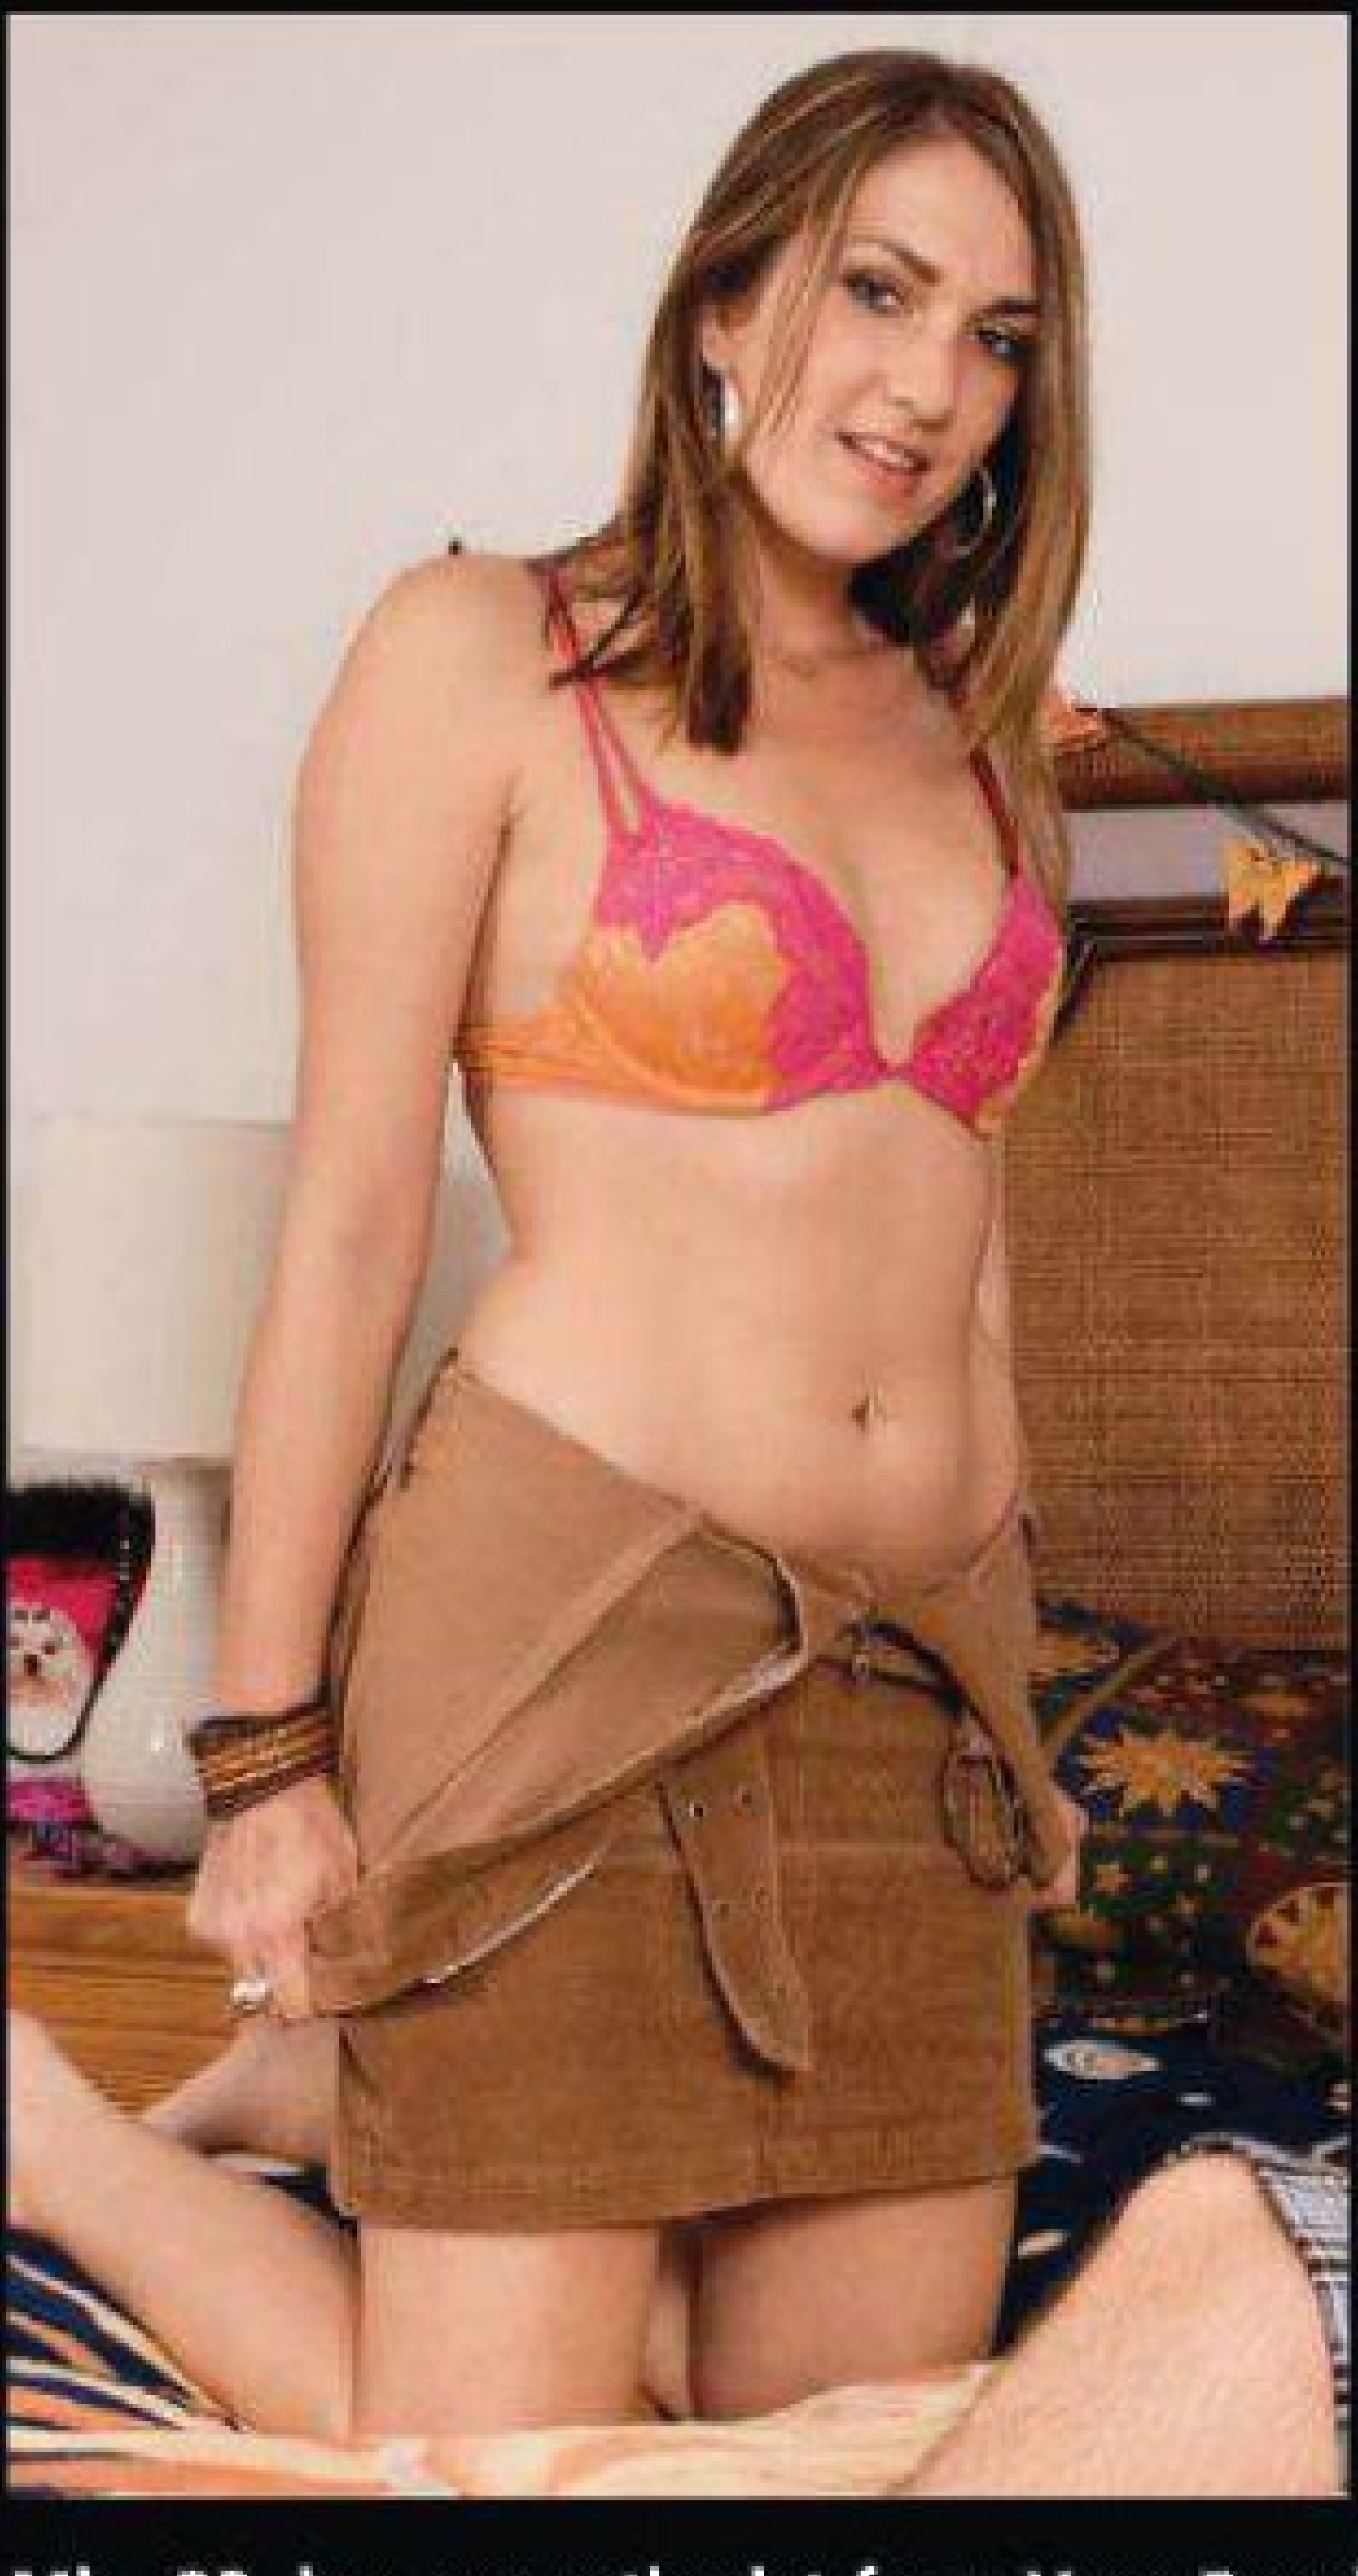
Fucked by a Stud

Mia & Jay



Mia, 23, is a receptionist from Vero Beach, Florida. She is 5'6", weighs 130 pounds, likes thongs or boyshorts and wears 36B bras. Like Lynxie, she's not been in *NN* before, but she contacted us about getting it on with one of our studs, like many other girls have. "A Facebook friend of mine wrote about a friend who did it," said Mia." "My friend was both horrified and intrigued about it because the girl was going on about how awesome it was to fuck a guy who was not only really experienced, but was also well hung. It got me thinking, then fantasizing, then buying a *NN* to check it out. Then I knew that I wanted to do it, too."

"I've been with my share of guys," said Mia, "both boyfriends and casual hook-ups. From my experience, I've found that boyfriends tend to get selfish about sex after a while and be more intent on pleasing themselves than giving me what I want, while casual guys want both of us to get a lot out of the fuck session. Is it just me who's experienced that or is it widespread, I wonder. Anyway, I love sucking cocks and being eaten out and screwing as much as any girl, so I decided that, for a while anyway, I'd stick to casual hooks-ups rather than go potential-boyfriend hunting. I have a couple of friends who think like I do, so I don't have to go out to bars and clubs by myself on Friday and Saturday nights."

"Wow, being totally cunt-crammed by a big cock feels incredible," said Mia. "Is that line about size not mattering really true? I figured I'd be shy and might not enjoy myself much, but after I'd cum, I didn't want things to end. I wanted to take Jay home and do him again and again till his dick fell off! Having a guy with a camera there didn't bother me, except he had to keep kinda bringing me back down to earth by telling me to look at the camera now and then. I'm sure I've got a big shit-eatin' grin in every photo. I can honestly say I've never fucked in so many different ways in a single fuck before. I'm sure it will be the best fuck of my life."

especially your cock. I want a taste of it when it's clean," she murmured.

I washed myself hurriedly. The thought of what this babe might want me to do to her had my mind spinning.

She stepped from the shower, water dripping off her bod as she picked up a thick towel to dry off. She threw another to me and headed for the bedroom. There, she lay on the bed and opened and closed her legs, giving me quick glimpses of her pussy.

THEN SHE WAS CUMMING IN MY MOUTH. IT SEEMED LIKE BUCKETS OF PUSSY JUICE.

"I want you to eat me first, then maybe we can go 69. I want to suck your cock real soon," she said.

I threw myself into her fat pussy lips, loving the feel of them as my tongue slipped over her hairless snatch. Her clit was hard, and as I licked it I felt a spasm ripple through her. Then she was cumming in my mouth! It seemed like buckets of pussy juice. I peered up and saw her massaging her breasts hard, pulling the nipples as she moaned and groaned.

It felt like her cunt was sucking my dick into it.

She got off so many times.

"Now!" She gasped. "Get your cock up here, now!"

I straddled her quickly and she grabbed my dick and swallowed it deeply into her mouth. She sucked on it as though possessed, swallowing it further and further and all the time doing something with her teeth that had me almost cumming. Her busy hands were fondling my balls until it started to become painful.

"Fuck me!" she demanded.

HER BUSY HANDS WERE FONDLING MY BALLS UNTIL IT STARTED TO BECOME PAINFUL.

I didn't need to be told twice. I changed positions and in a second I was balls deep in her hot, sopping-wet cunt. She was on fire, swallowing my cock with that cunt. It felt like I was deeper in her than I'd ever been with any other girl. We fucked furiously for a few minutes till she pushed me away.

"Now my ass," she said, jumping up on all fours and wiggling her magnificent hole. "Do my ass!"

I couldn't believe my luck! I ran my hands over her ass cheeks then pried them apart, noting that her butthole was already partially open.

"Hurry!" she demanded.

I slid my slick cock in and it disappeared into her hot, tight asshole. It was amazing to feel her pushing back against me, forcing me to fuck harder and faster. All the while she played with her clit till she was screaming and gyrating all over the bed as she orgasmed again.

I SLID MY SLICK COCK IN AND IT DISAPPEARED INTO HER HOT, TIGHT ASSHOLE.

I began to cum, too, so I pulled out of her and sprayed my jizz all over her back. When we'd calmed down, she said, "It's time for a dip in the pool."

We had a swim and I was with her till late that night, but she never told me her name or asked for mine. She finally sent me away because she had a flight to catch real early the next morning. When I staggered back upstairs, exhausted and starving, but with a big, shit-eatin' grin on my face, my friends didn't believe me at all and ripped into me for going missing for so long. So I never told them she was going home.

I nearly pissed myself laughing when I got up about 10 the next day because the guys were already sitting–waiting–out on the balcony.–T.J., Dallas, Texas NN

I got to fuck her cunt and her ass.

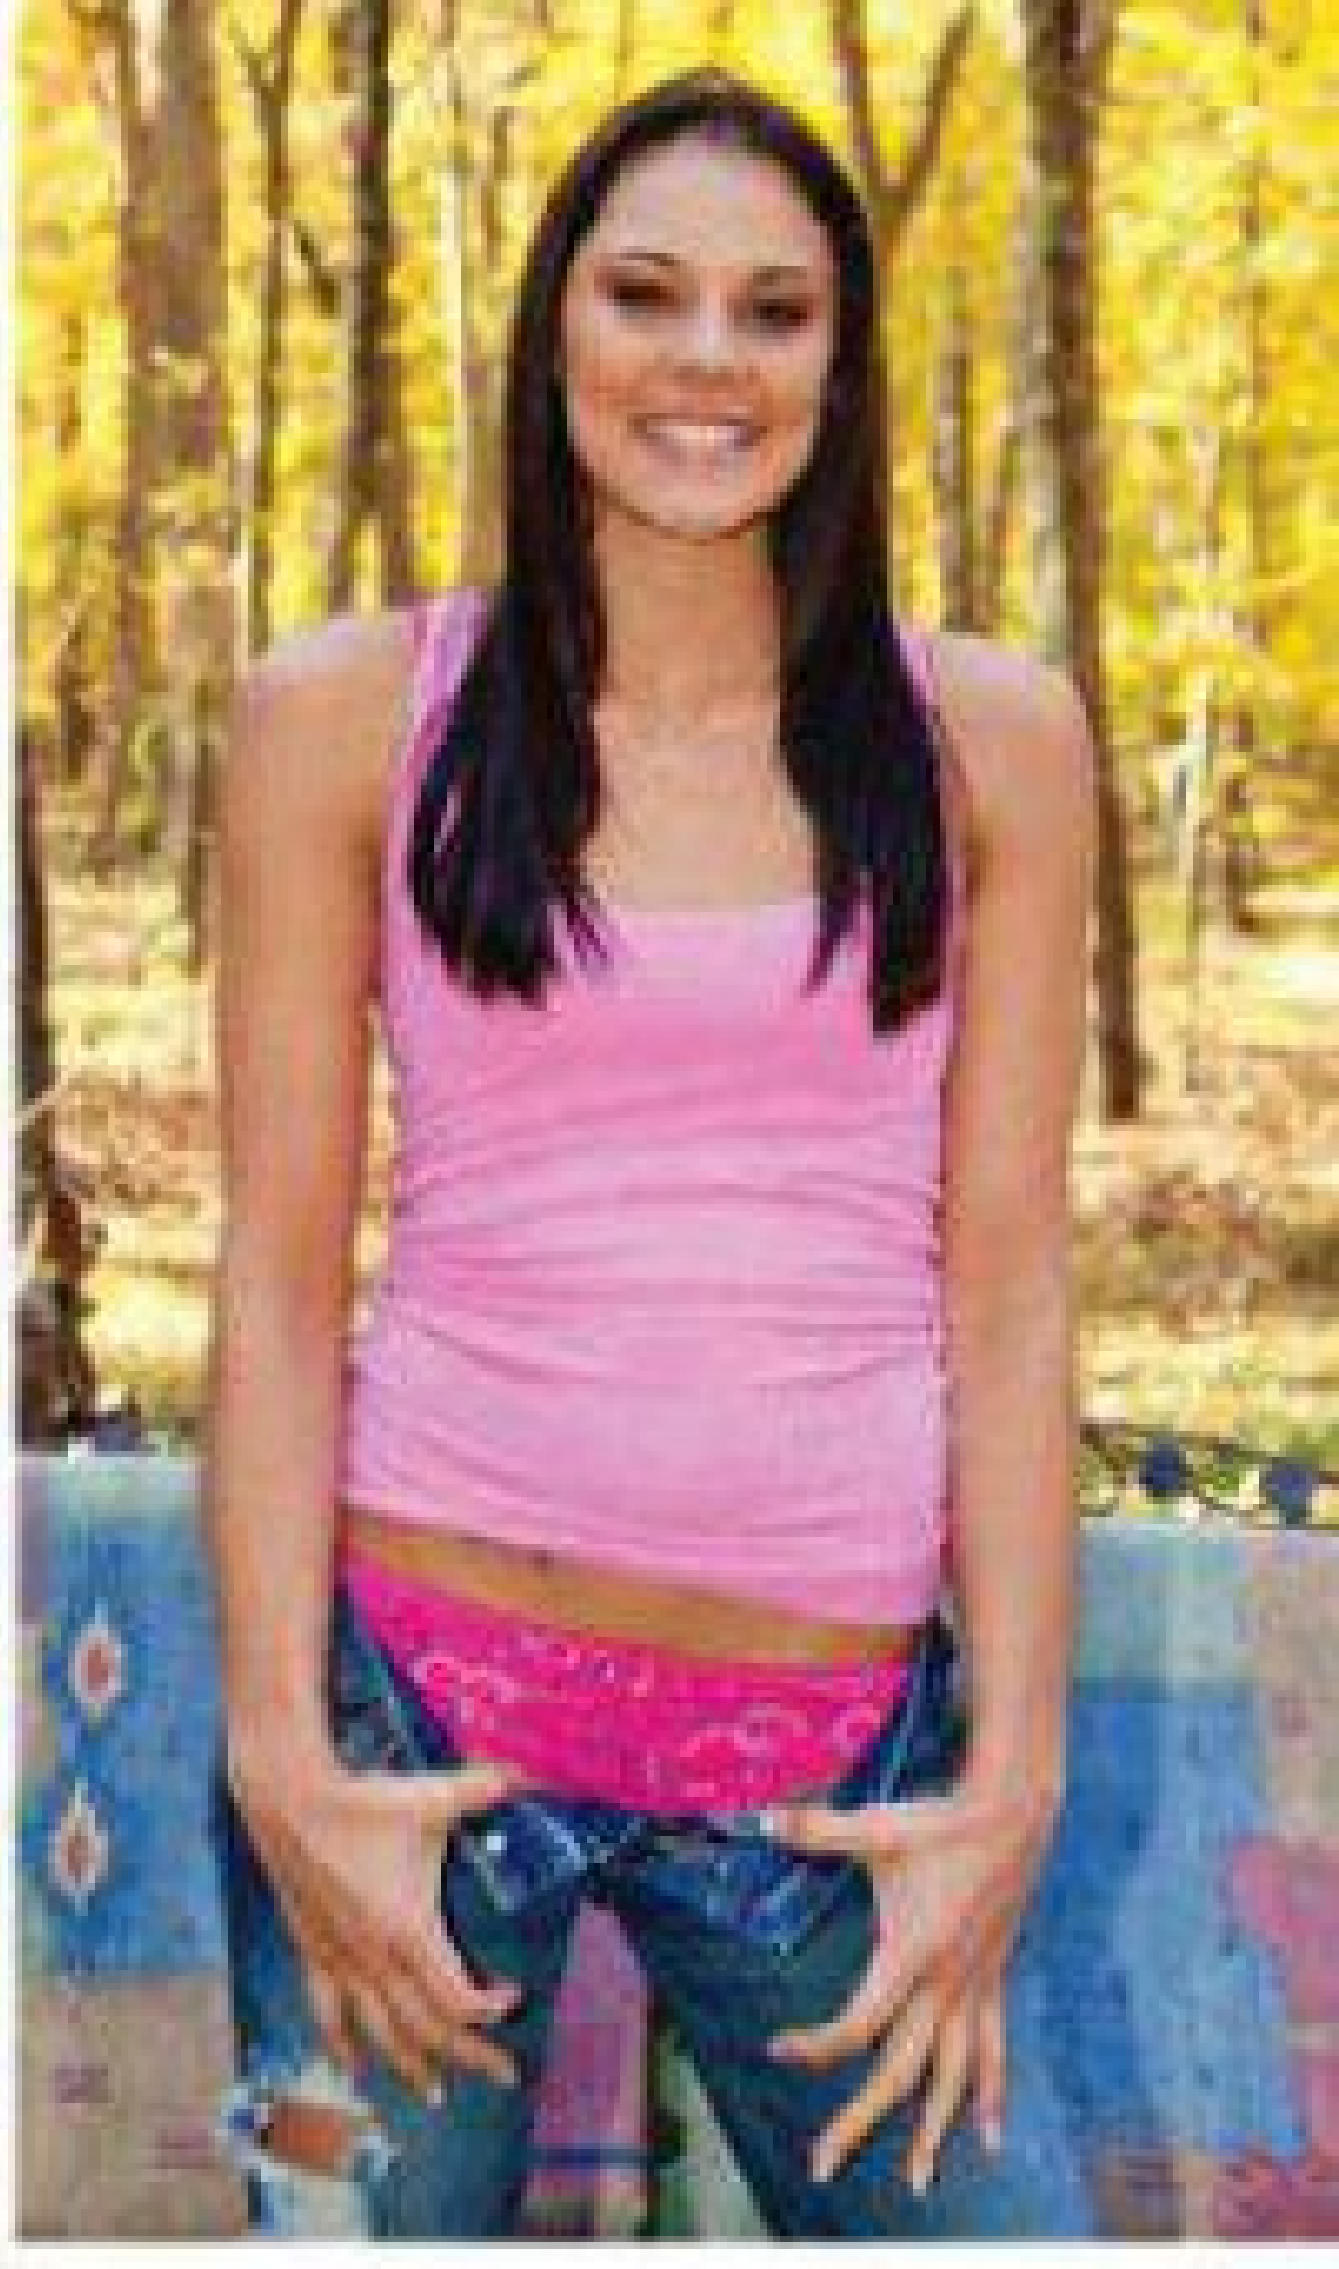
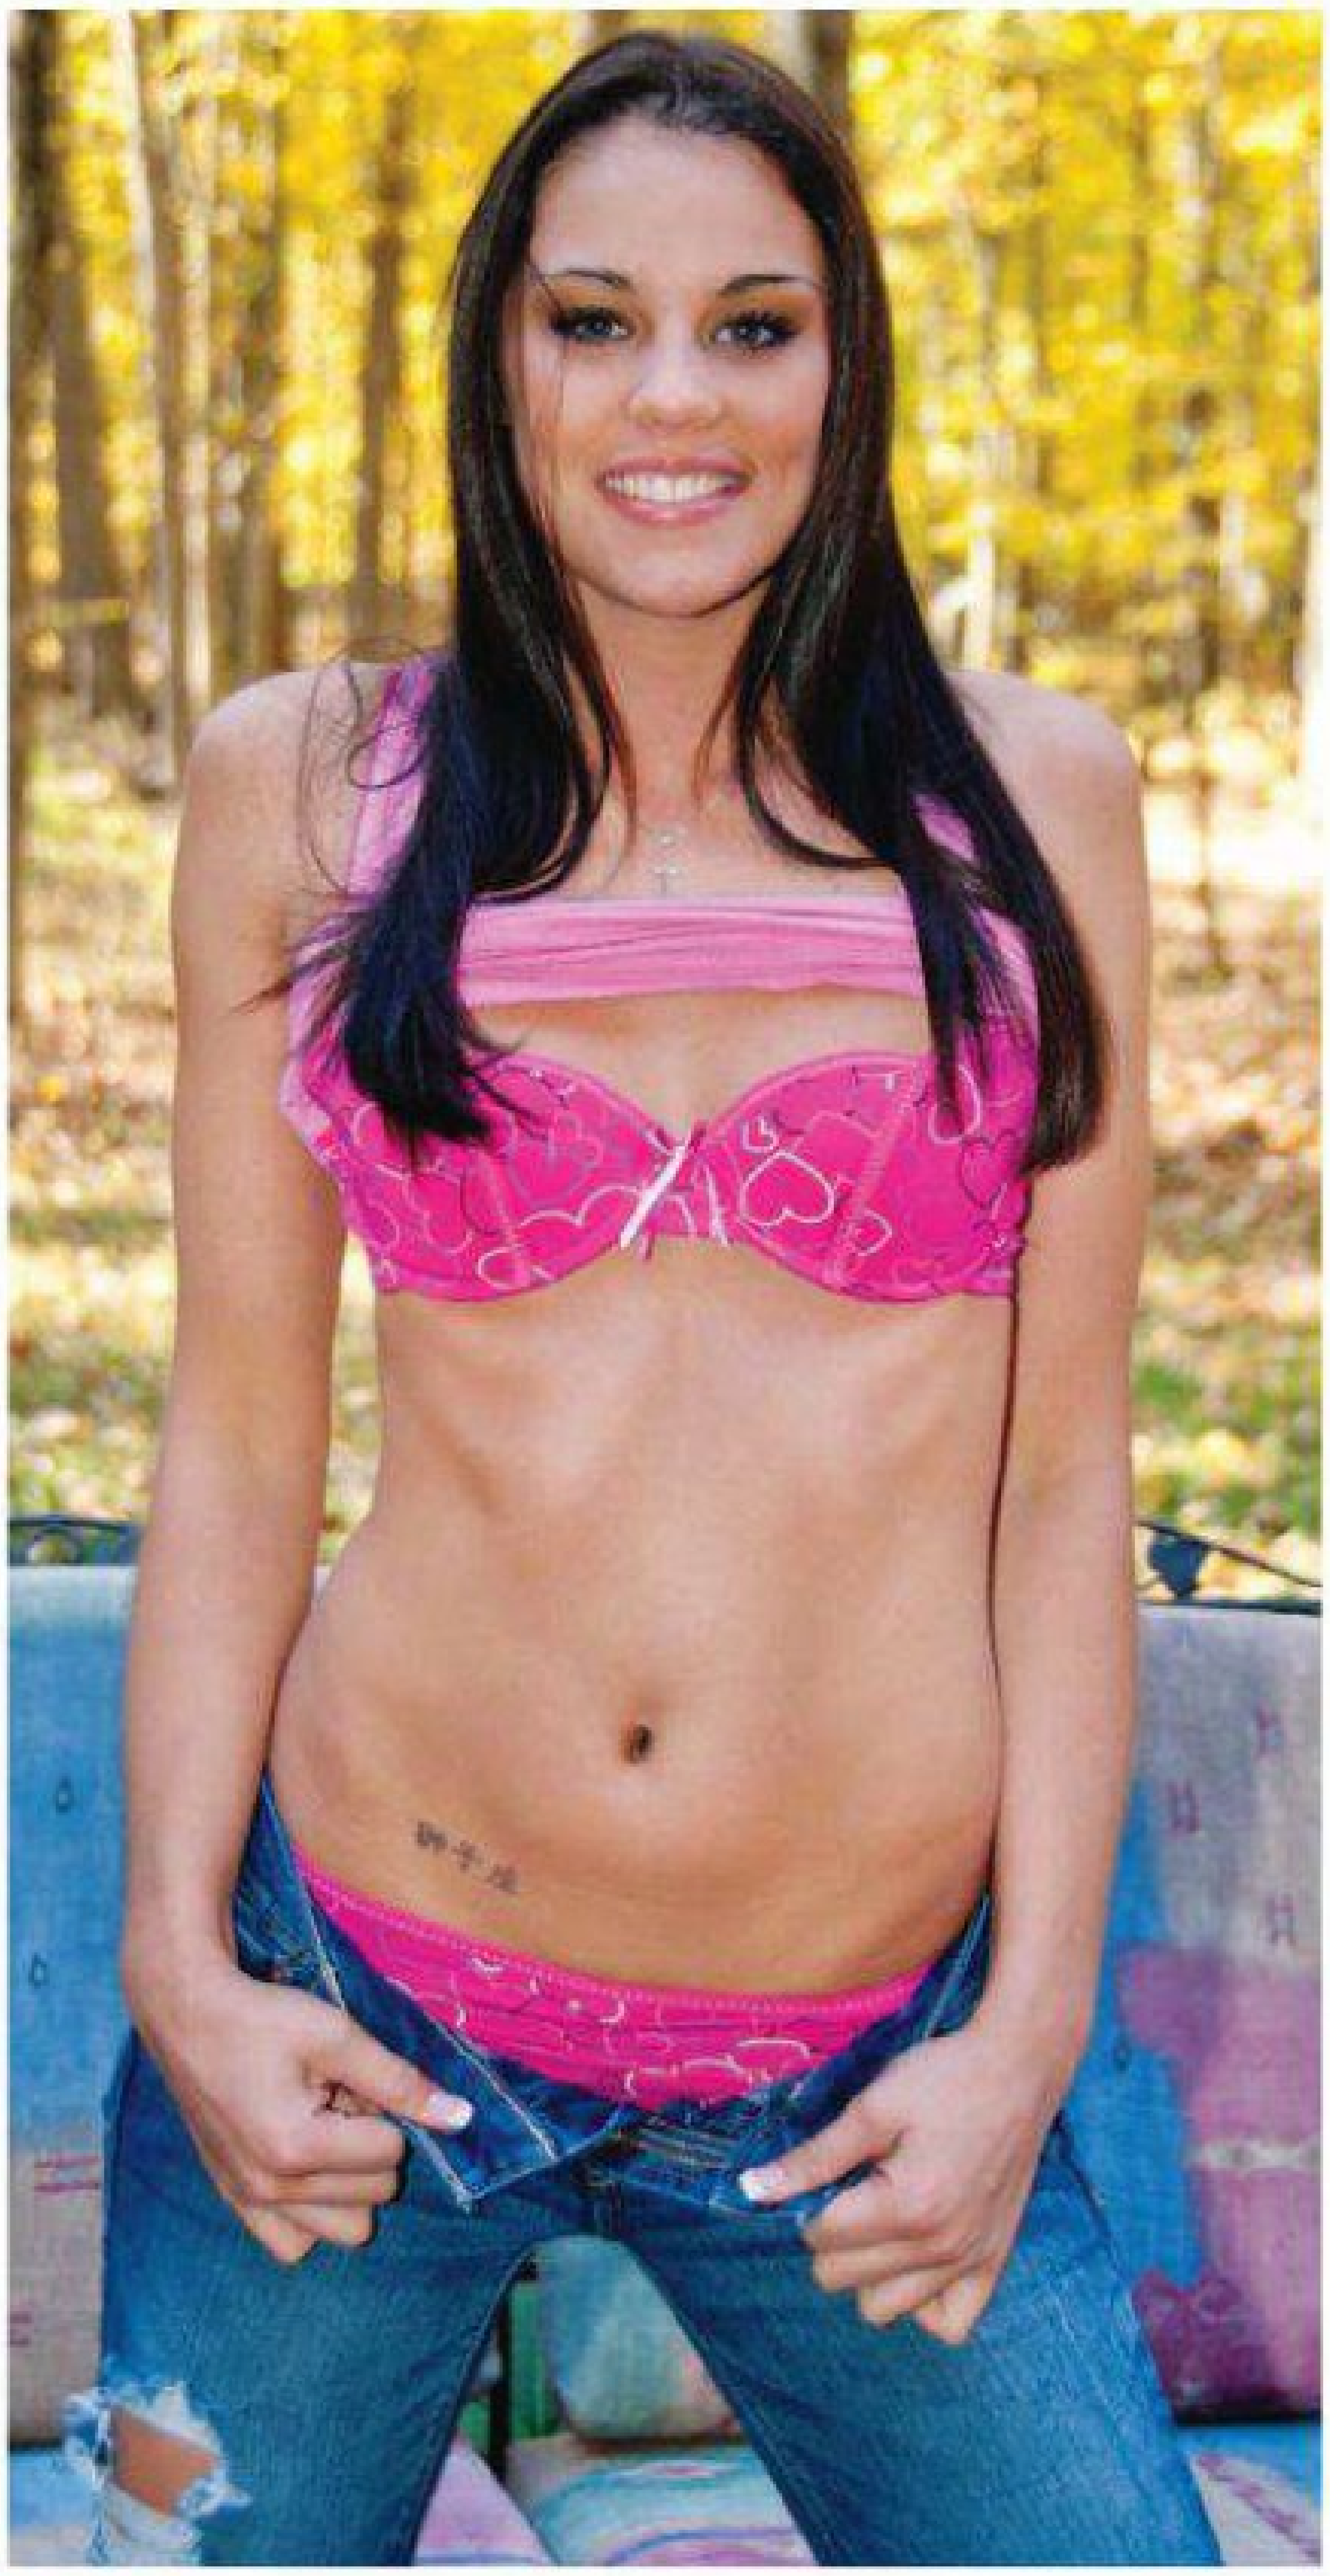
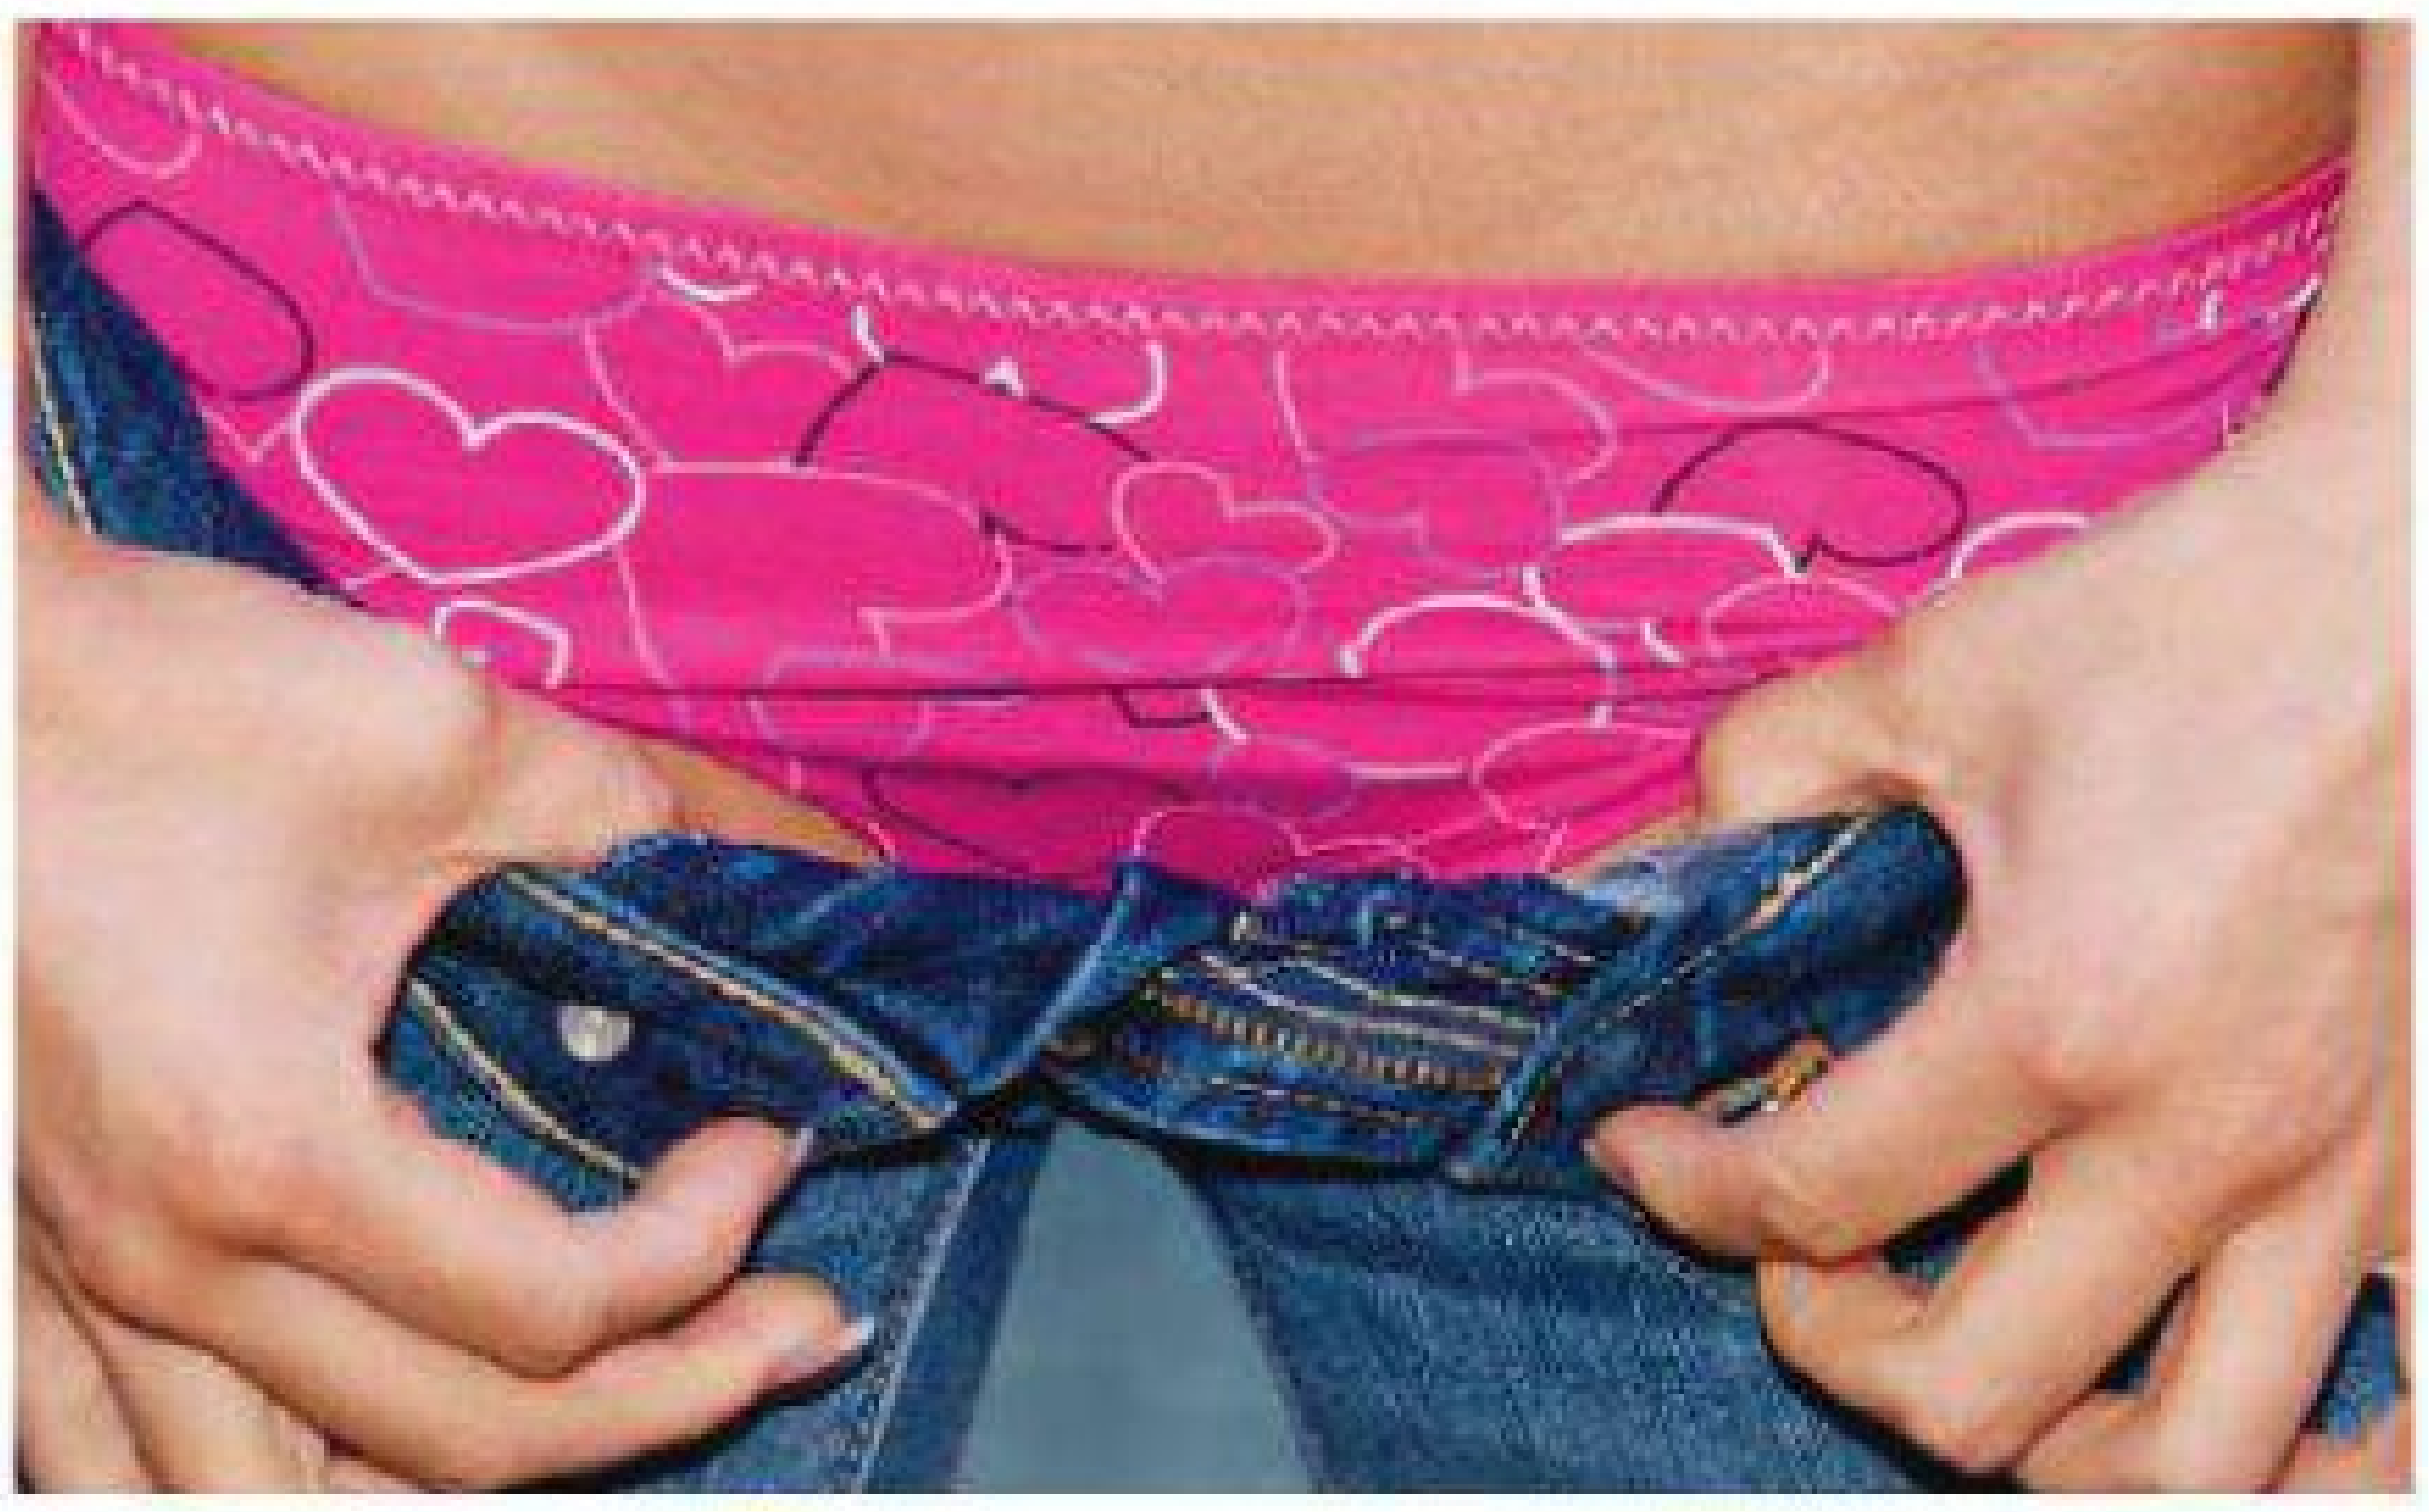
Megan

Ann Arbor, Michigan

Student **Age:** 18 **Born:** July 21
Ht: 5'5" **Wt:** 112 lbs. **Bras:** 34B
Panties: Victoria's Secret **Anal:** Oh, no!
BJs: Try to swallow **Diddle:** Often







"My boyfriend took these photos before he went off to college in Texas and I went to college across the state," said Megan. "Although he's the best thing that's ever happened to me, I'm very realistic, so I only gave him prints to keep and downloaded the photos off his camera and kept the chip. I mean, we made all kinds of promises about still being boyfriend and girlfriend and not cheating and stuff, but, hell, I'm just as likely as him to forget about that if the right person comes along and we connect."

"I've only ever had sex with the one guy and he was–is–as much a beginner at it as me," said Megan. "We have only done it the missionary way and doggie-style and that's it. I've never even sat on top of his dick like all the girls in *NN* seem to do and enjoy so much. He was–is–awful at licking me out, and I can't always get off that way, so I don't always cum when we have sex because I'm not excited enough. But I know that I've got so much to learn and experience and enjoy as far as sex is concerned, and I can hardly wait. If you want me to be honest and realistic again, I'd say that I might be most likely to cheat on my boyfriend if an older guy comes along and I sense that he'd be a great lover who could help me to enjoy sex more."

Megan's fantasy

"I'd like to get it on with a guy and another girl so I could lick pussy for the first time while the guy was doing me and I could also feel what it's like to have a girl get me off with her tongue and fingers."

"Again, being a realist, I'd tell my boyfriend right away if I cheated on him and I'd break up with him," said Megan. "I'd not want to lie to him and I'd not want to lie to any new guy I was having sex with and tell him I no longer had a boyfriend if that wasn't true. That's just the way I am. I've not told my boyfriend about sending the photos in and I probably won't or show him the mag either. I knew about *NN* because my older brother used to buy it before he went to South Korea with the army. I sure hope he never gets to see the issue I'm in! Since I first snuck a look at an issue, I've wanted to be in it, just for the thrill of seeing myself."
